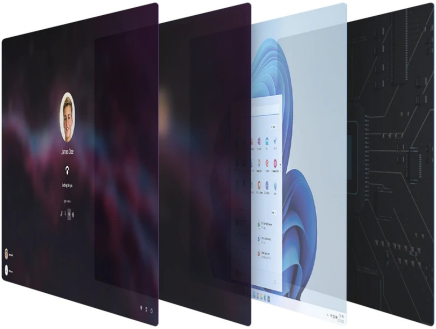
The advanced Secured-core PC

Galaxy Book2 Pro 360 helps protect the hardware level with a root of trust, while helping to safeguard firmware from attacks. It is also intended to keep malicious code out of the OS and locks down your IDs and biometrics.



* Secured-core PCs require specific configuration to fully enable the highest level of protection against attacks.
** The use of Windows Hello requires specialized hardware, including fingerprint reader, illuminated IR sensor or other biometric sensors and capable devices.

Wi-Fi 6E - rev up your data speeds

Galaxy Book2 Pro 360 comes with Wi-Fi 6E enabled, letting you access the ultra-fast data speeds of the 6GHz band, more spectrum, and wider networking channels. Experience less congestion and faster response times. Your always-on lifestyle just got easier.

* Wi-Fi 6E availability may vary due to OS version, country, location, network conditions, and other factors.
** Wi-Fi 6E wireless network routers are required and sold separately. Dependent on Internet service providers' Wi-Fi 6E service availability.

True-to-life display

The display comes to life with a FHD AMOLED touch screen. With colour volume of 120% and a brighter display, you can see more vivid colours and deep contrasts that bring out the details for an amazing viewing experience—whether you're working, gaming, or enjoying your favourite show.

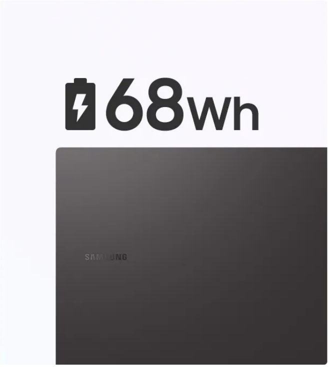
Power on through the day – large battery, lightweight fast charger

Galaxy Book Pro2 360 packs a powerful 68Wh battery for plenty of runtime. You get up to 21 hours video playback on a single charge, and can top up with 8.3 hours in just 30 minutes with the fast charger that isn't just compact – it also works universally to charge various Samsung Galaxy devices.

* Based on results from internal lab tests for local video playback time conducted by Samsung. Test Results from a pre-release version of the device under settings (Local 1080p movie playback, Player-Movies & TV with full screen, Brightness-150nits, Earphone (default volume), discharged to 2%, Airplane On, KBD Backlight Off) without connection to Wi-Fi or mobile network. Battery life varies significantly with settings, usage, and other factors.
** Refer to the spec page for more information on battery capacity.
*** Based on fast charging results from internal Samsung lab tests, conducted with 65W charger while it has 2% of power remaining, with all the services, features and screen turned off. Actual charging speed may also vary depending on the actual usage, charging conditions, and other factors.



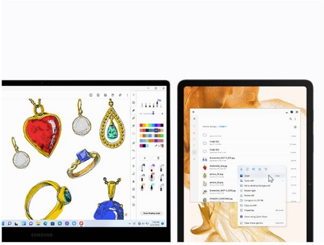
Galaxy Ecosystem

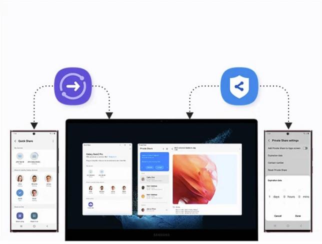
* Galaxy Tab S8, Galaxy Book2 Pro 360 (S Pen included), Galaxy S22 (S Pen included with Ultra), Galaxy Watch4, Galaxy Buds2 and S Pen shown are all sold separately.
** Screen image simulated for illustrative purposes.

Double the screen, multiply productivity

Connect your Galaxy Book2 Pro 360 with a Galaxy Tab wirelessly to add a second screen. You can duplicate or extend your screen, and instantly work across both devices with Samsung Multi Control. Slide the cursor from screen to screen and control Galaxy Tab and Galaxy Book with just one keyboard.

* Galaxy Tab S8 sold separately.
** Screen image simulated for illustrative purposes.
*** The keyboard is installed in the Galaxy Book.
**** Second screen is available on selected Galaxy Tablet models only, including Galaxy Tab S7, S7+, S7 FE, S8, S8+ and S8 Ultra.
***** Samsung Multi Control requires updated tablets with One UI 4.1 or higher versions and works on Galaxy Book series devices released in 2021 or later with either Samsung Settings v1.5 (Intel) or Samsung Settings v3.3 (ARM). Some models may have limited feature support.





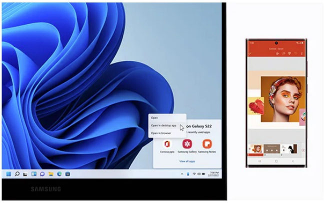
Simple, peace of mind sharing

The Quick Share feature is a convenient way to wirelessly send files across Samsung Galaxy devices. And Private Share offers a new option to encrypt files using blockchain technology. You're in control of what you share, and can set an expiration date on file accessibility.

* Available on Galaxy device with One UI 2.1 or later versions installed, and Quick Share uses Bluetooth Low Energy and Wi-Fi.
** Screen image simulated for illustrative purposes.
*** The transferable type, number, capacity, and expiry date of files as well as the number of simultaneous file shares in Private Share may be limited.

What's on your phone, now on your PC

Bring your mobile apps to Galaxy Book2 Pro 360. Your Phone app has been optimized for Galaxy users with Link to Windows. It provides a seamless inter-device experience for ultimate convenience, and use Recent Apps to open what you just enjoyed from your phone, right on your PC.



Windows

More about Link to Windows, Your Phone and Recent Apps

1. Link to Windows - Your Phone app

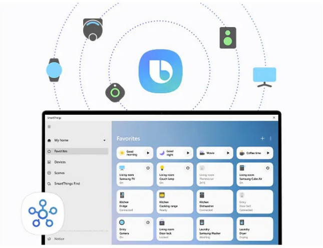
Users must link their Samsung Galaxy device to their Windows PC through 'Link to Windows' on phone and Your Phone App on PC and follow the set-up prompts, including being signed into the same Microsoft account. Link to Windows is preloaded on select Samsung Galaxy devices. PC (Your Phone App) requires to be Windows 10 or above. Your Phone requires Samsung Galaxy device to be on and connected to the same Wi-Fi network as the PC.Some mobile apps may restrict content to be shared on other screens or may require a touch screen to be able to interact with them. Multiple Android applications can be launched simultaneously up to 5 at a time in Windows 10 PC or above.

2. Recent Apps

'Recent Apps' is only available for Samsung Galaxy devices with One UI 3.1.1 or above (Samsung Galaxy S, Note, Z Fold, Z Flip) with these minimum versions: Your Phone (1.21092.145.0), Your Phone Companion(1.21083.49.0), Link to Windows (2.3 or above). 'Recent Apps' available starting from February 14th, 2022. Feature availability may vary by applications.

3. Open in Desktop/Browser

'Open in Desktop/Browser' available starting March 17th, 2022. Need latest updates on Office for Samsung Galaxy devices and Your Phone app for PC. Support Excel, Word and PowerPoint format only. Documents need to be saved in OneDrive. Supports all accounts except work profile compliance Feature availability may vary by applications.



Daily life made easier

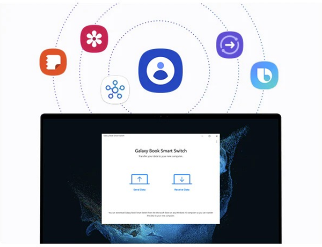
Make life easier with Bixby and SmartThings from your PC. Use voice command to ask Bixby about the weather, time, and more. You even have an option to control SmartThings-compatible devices from your PC - Bixby can help you with this too. Stay in control, and in your routine.

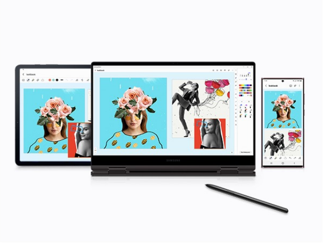
* All devices must be registered with SmartThings to receive smart notifications. Wi-Fi connectivity required.
** Available technology, functions, and features may vary by country, service provider, network environment, or product, and are subject to change without notice.
*** Bixby is limited to selected languages and certain accents/dialects.
**** Screen image simulated for illustrative purposes.

Quickly set up, sign on and enjoy your new Galaxy Book2 Pro 360

Galaxy Book Smart Switch and Single Sign-On combine to make it easy to onboard a new Galaxy Book2 Pro 360. Galaxy Book Smart Switch transfers your files and settings from your old device, and Single Sign-On gets you into your Galaxy Ecosystem and favourite apps with just one log-in.

* Availability of Galaxy Book Smart Switch may vary depending on OS, and the transferable files are informed during program execution.
** Single Sign-On works on apps including Quick Share, SmartThings, Bixby, Samsung Bluetooth Sync, Samsung Multi Control, Samsung Notes and Samsung Gallery.





Your notes - organized and synced on all your Galaxy devices

With Samsung Notes, all memos get synced across your Galaxy devices for a seamless notetaking experience. It also features an enhanced folder organization system as well as an audio bookmark to sync notes with the timeline of your voice memos. Even bring PDF files to annotate, and export to share.

* Network or Wi-Fi connection required. All devices must be logged in to the same Samsung Account.
** Screen image simulated for illustrative purposes.
*** Galaxy Tab S8 and Galaxy S22 Ultra are sold separately.

Time to paint your masterpiece

Clip Studio Paint is a creative studio of tools that works great with the included S Pen. With the S Pen in hand, you can smoothly create masterpieces using a variety of artistic tools including integrated inking, storyboarding and many types of brushes.

* Clip Studio Paint is provided as a bundle and can be used free of charge for 6 months for selected model and region. Terms and conditions apply, visit https://www.clipstudio.net/en/terms/ for more details.
