Kasa Smart Wi-Fi Light Switch, 3-Way

HS210

Two Location Control | **Easy Installation** | **Remote Access** | **Schedule** | **Grouping**

Highlights

The Smart 3-Way Switch Upgrade

The Kasa Smart Switch makes it easy to replace traditional 3-way switches commonly found in living rooms, hallways, or stairways where two switches control the same light. Turn your lights or fans on and off from anywhere, set schedules, and voice control with Alexa and Google Assistant.

Notes:
Neutral wire required.
The app screen depicted is for visual reference only and does not necessarily represent actual product operation or app appearance.

Easy Install

No need to understand complex wiring, just follow the step-by-step wiring process in the Kasa Smart app for a guided installation. Your Kasa Smart Wi-Fi Light Switch, 3-Way comes with labels, a faceplate and the necessary hardware for your convenience.
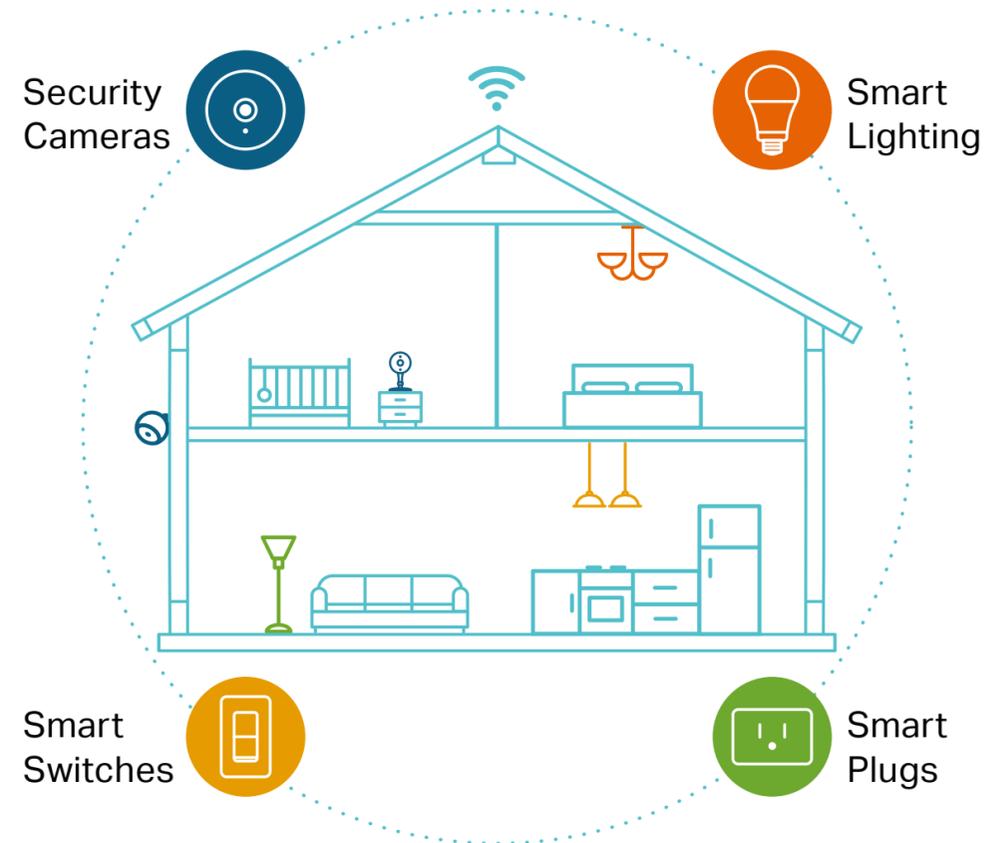

Highlights

Your Voice Has Power

Connect your Smart Switch to Amazon Alexa, Google Assistant, or SmartThings to enjoy a full hands-free experience.

Turn on kitchen light.

Features

Easy to Install

· Guided Installation – Follow a simple step-by-step in-app guide for installation.

· No Hub Required– The Kasa Smart Wi-Fi Light Switch, 3-Way works with a secured 2.4GHz wireless network without the need for a separate hub.

Ease to Use

· Anywhere and Anytime – Set schedules or turn on and off remotely.

· Scheduling – Program lights to turn off and on at set times.

· Grouping – Combine Kasa devices for unified control with one single tap.

Plays well with Others

· Works with Vocie Assistants – Use simple voice commands with Alexa, Google Assistant or SmartThings.

· Compatible with Android, iOS – The free Kasa Smart app lets you run Smart Switch from any Android (5.0 and higher) or iOS (iOS 10.0 and higher) devices.
