

Smart Controls with Surge Protection in One

Kasa Smart Wi-Fi Power Strip

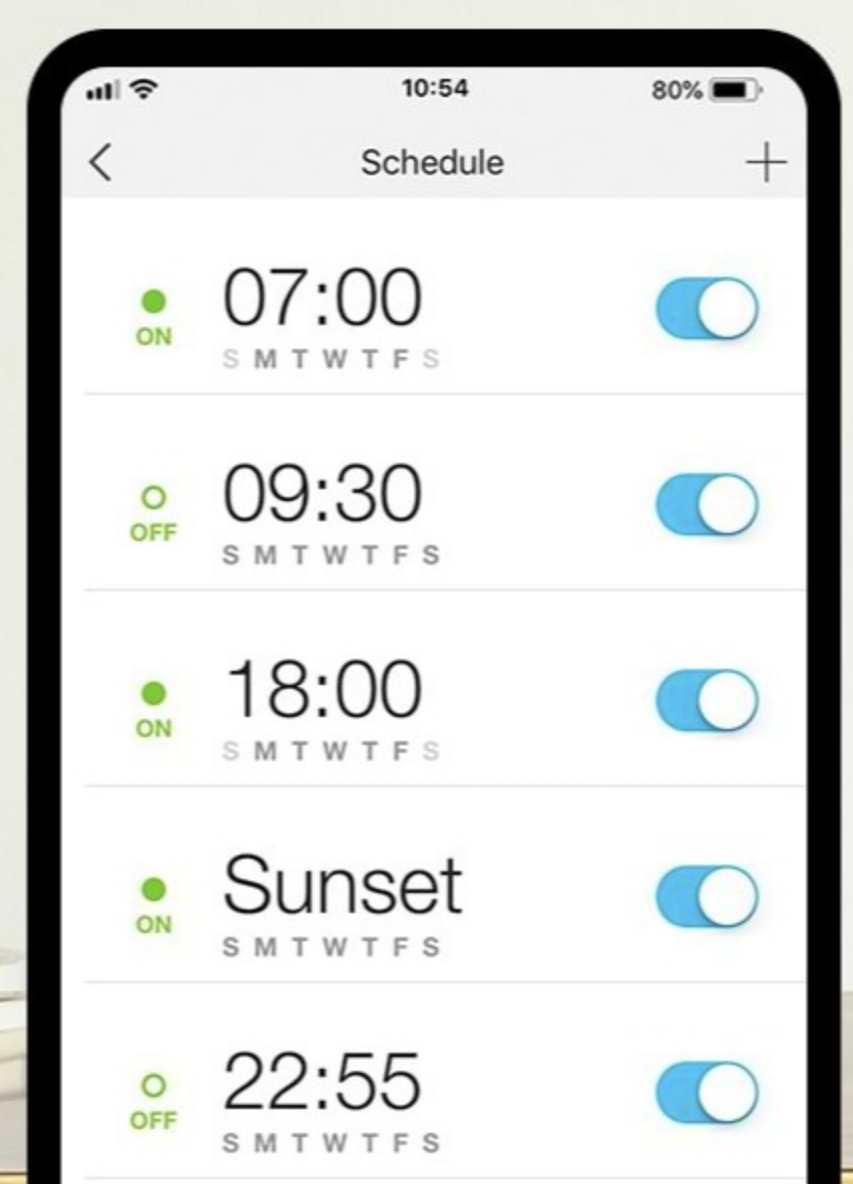

Individual Control 3 Smart Outlets

With 3 smart outlets that can be separately managed and 2 always-on USB ports, the Kasa Smart Wi-Fi Power Strip meets your diverse needs like supporting multiple appliances from lamps to humidifiers and more simultaneously or independently.

Set Schedules and Timers

Create schedules/timers to turn outlets on/off at specific times to improve convenience and efficiency, manage complicated set-ups like high-end fish tanks, and cut down on power consumption.

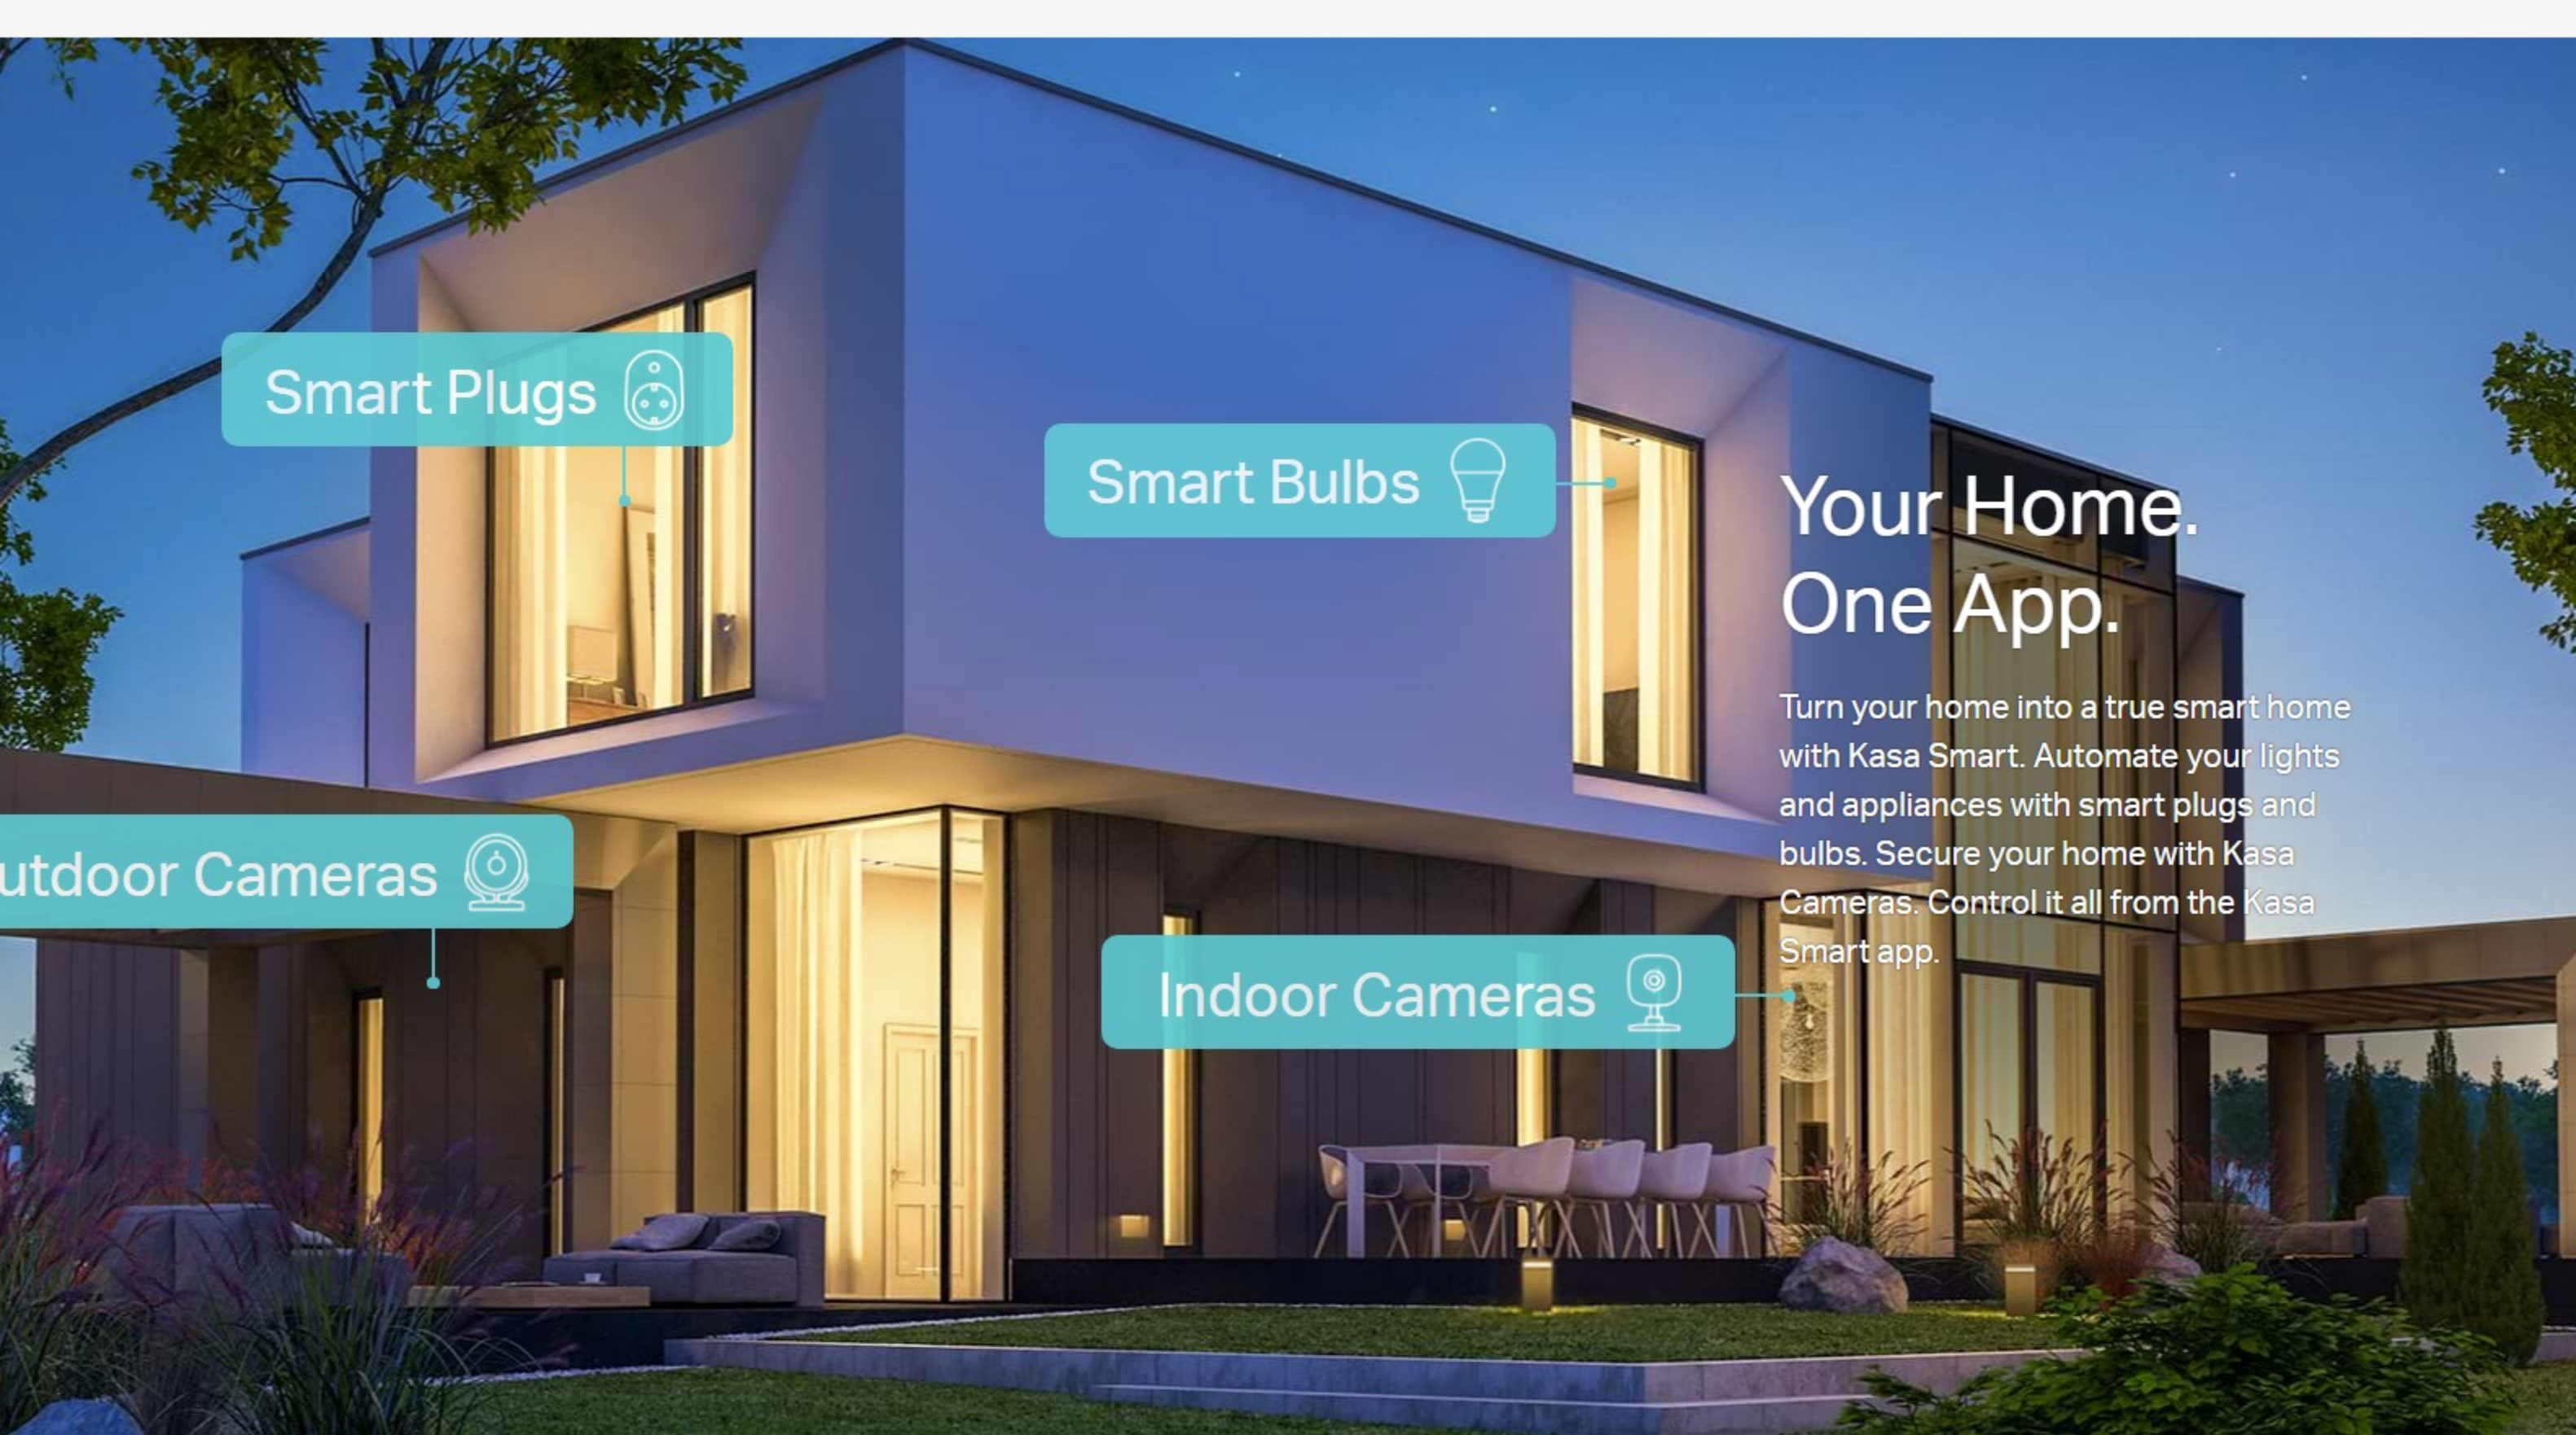

No Hub Required

Connect to any secured 2.4 GHz wireless network to control directly. No need for a separate hub or extra equipment.

Surge Protection

Surge protection shields sensitive electronics and appliances from sudden electrical surges and spikes, including those caused by lightning or short circuits. Keep your devices safe during thunderstorms.
