Louder alerts. Stronger wifi.

Ring Chime Pro connects to your Ring Doorbells and Cams so you can hear real-time notifications in your home. Enjoy a sleek design complete with a cozy glow from the built-in nightlight. Plus, extend your wifi to your Ring devices to stay online and reduce dead zones.

Amplify all your devices.

Receive a Chime tone when someone presses your Video Doorbell or motion is detected on your Security Cams.

Extra coverage around your home.

Place multiple Chime Pro devices around your home to always hear what's happening and boost your wifi network to your Ring devices. Whether you're in the kitchen, bedroom or garage, you'll never miss a thing if your phone is out of reach.
