Share the Perfect Gift with Others

Meural keeps you connected and lets you instantly share special moments from afar, anytime – the ideal gift for loved ones.

Meural 

POWERED BY
NETGEAR

Supports Apple & Android Photo Albums and 4K Photos & 15 Sec Videos

Meural conveniently works with Apple and Android photo albums so you can enjoy everyone's favorite moments as if you were there.

Make Everyday Different and Special
Curate your photos into personalized playlists and schedule to play at different times of the day or on special occasion.

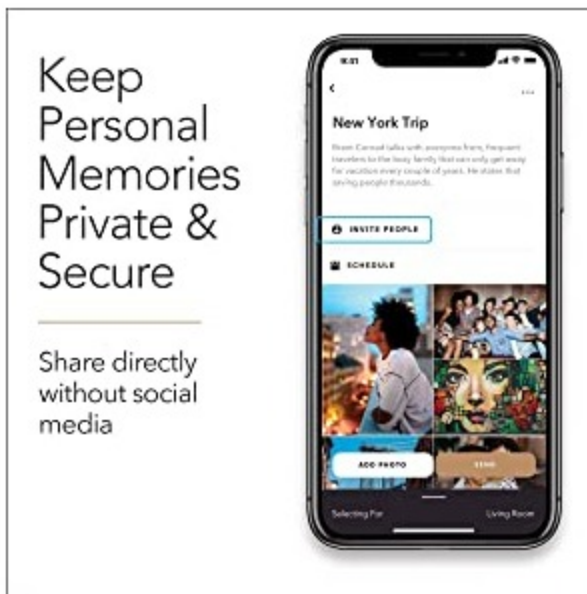

Exceptional Display Technology for the Perfect View

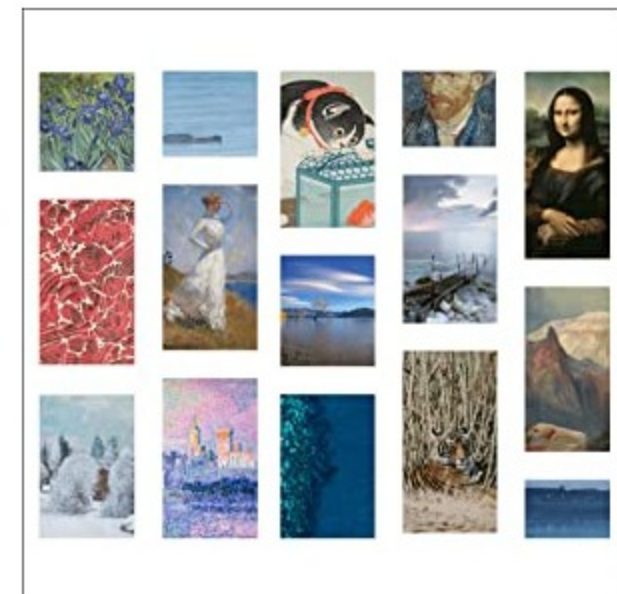

Meural comes alive with 1080p Full HD resolution, IPS anti-glare and TruArt technology for lifelike any angle viewing. Special sensors auto adjust brightness and put Meural to sleep when it's dark.

Auto Orientation for the Perfect Fit
Meural will auto detect frame orientation and auto crop images. The sturdy collapsible stand also works in both orientations for fuss-free placement. Wall mount included.

Keep Personal Memories Private & Secure
Share directly without social media.

100 Works of Art and 30,000+ Available
Enjoy your Meural for exploring art too and see every brushstroke with patented TruArt technology. Includes 100 famous pieces of art & has access to over 30,000 images.
