

Fast and responsive

2X the storage | **20%** longer battery life | **30%** faster

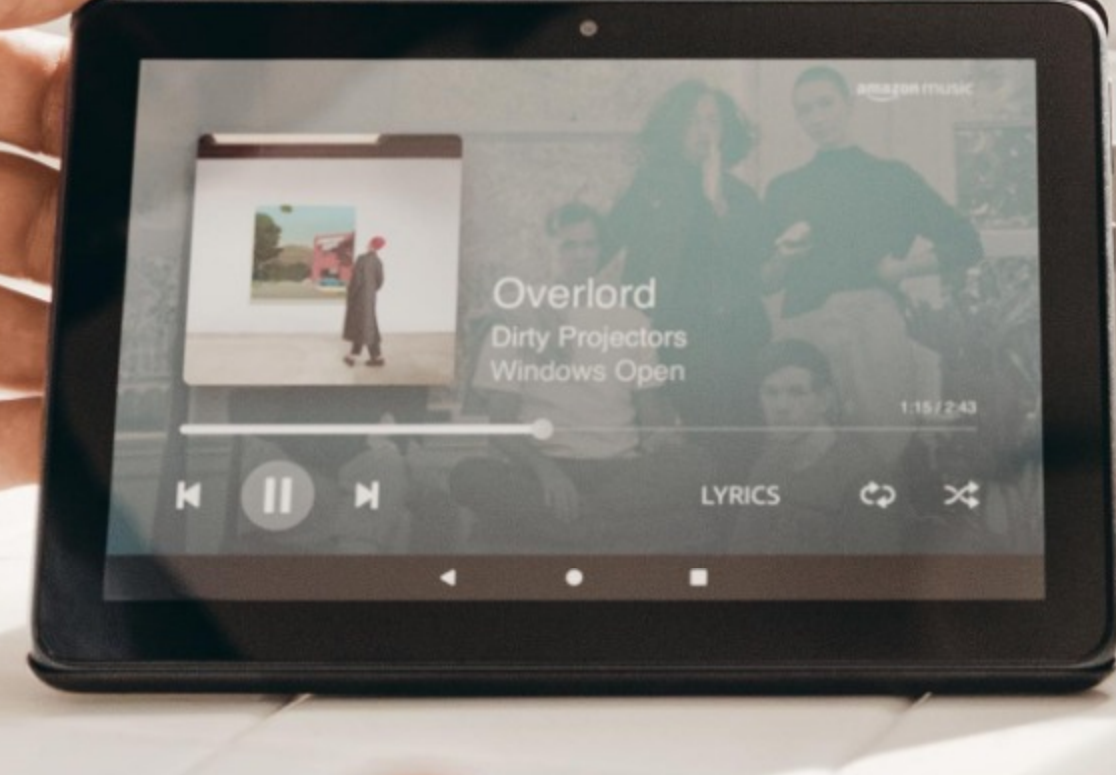

Fire HD 8 is fast and responsive, with a vibrant 8" HD display, 2X the storage, 2 GB of RAM, and 30% faster performance thanks to the new 2.0 GHz quad-core processor. Stream movies, watch videos, or play games with the enhanced wifi. Enjoy downloaded content all day with the 12-hour battery life. USB-C for easier charging when you need to power back up.

Great for entertainment and downtime

Enjoy endless entertainment: Millions of movies, TV episodes, apps, eBooks, and songs—plus games you can play distraction-free in Game Mode. Stream and download videos from Netflix, Prime Video, Disney+, and SHOWTIME or make video calls on apps like Zoom.

"Alexa, play my morning playlist."

See and do more with Alexa

Alexa connects you to the information, entertainment, and people who matter most—with just your voice. Ask to play videos and music, open apps, check the weather, access compatible smart home devices, call or message almost anyone, and much more.

Just say "Alexa"—even when the tablet screen is asleep on standby. Alexa and Fire HD 8 are designed to protect your privacy. For example, you can view and delete your voice recordings or use the Alexa Hands-Free Mode on/off toggle at any time.

Screen time is now family time

With award-winning Amazon Kids (FreeTime), parents can create child profiles to limit screen time, set educational goals, and manage content with easy-to-use parental controls. Amazon Kids is free on every Fire tablet—or subscribe to Amazon Kids+ (FreeTime Unlimited) to access over 20,000 kid-friendly titles.

A secure cover with easy access

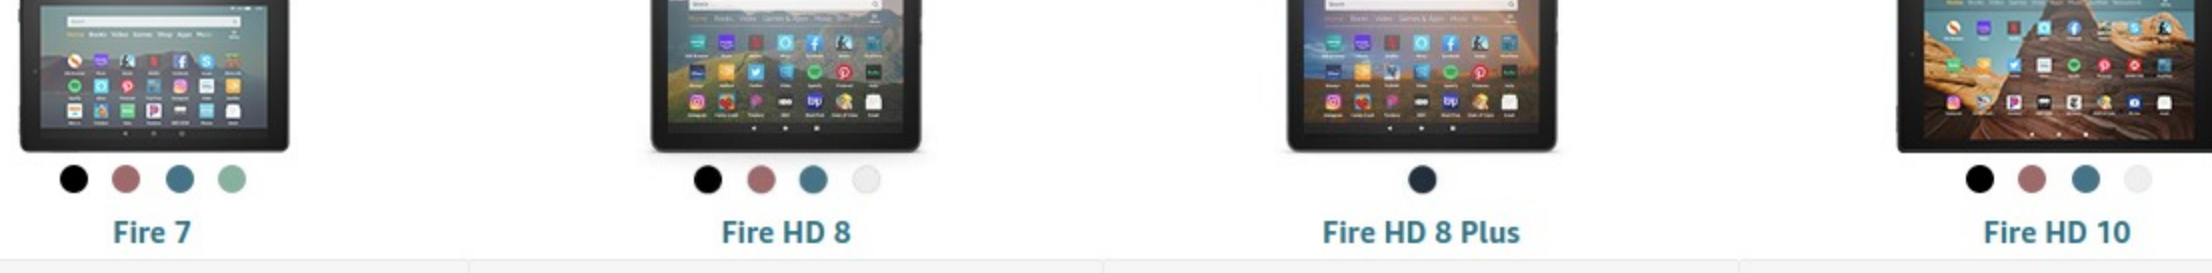

Designed by Amazon, the slim, form-fitting case with built-in stand allows for hands-free viewing in landscape and portrait orientations.

The cover remains securely closed at home or on the go with a magnetic closure. Easy access to buttons, ports, and cameras.

Case sold separately
