Wi-Fi 6 Upgrades Everything

The latest generation of Wi-Fi technology brings faster speeds, less lag, and higher capacity, enabling more simultaneous connections on your home network.

[Learn more about Wi-Fi 6](#)

Warp Speed for Smooth 8K Streaming

Drastically improved speeds enable streaming, fast downloading, and gaming, all at the same time. Need to go faster?

Hop on 5 GHz with full speed-boosting features to stream multiple 8K videos without lagging.

6 Stream Wi-Fi 5 Router — 2033 Mbps

Archer AX73 — 5378 Mbps

164% Faster

160 MHz HT160 Doubling bandwidth

1024-QAM 25% faster speeds

6-Stream Simultaneous transmission

Extensive Wi-Fi Coverage with Advanced Technology

Enjoy stable Wi-Fi connections, even in the kitchen and bedroom. High-Power FEM, 6x Antennas, Beamforming, and 4T4R structures combine to adapt Wi-Fi coverage to perfectly fit your home and concentrate signal strength towards your devices.

Connect 200+ Devices

Easily handle dozens of devices streaming and gaming at the same time — OFDMA and MU-MIMO combine to future-proof your home network by providing greater capacity to connect more devices.

OFDMA
Enables different devices to share one transmission stream, increasing efficiency.†

MU-MIMO
Transmits data to different devices simultaneously using multiple streams.**

Designed to Be Cool

The slant rectangle atop of the scaled armor design provides a contemporary aesthetic. The vent design takes up 167 cm² (25 in²) of its top surface for improved heat dissipation, unleashing the whole machine's full power.

TP-Link HomeShield: Advanced Security for Unlimited Clients

HomeShield protects all connected clients against DDoS, malicious sites, and port intrusion, delivering a safe network environment for your data and privacy.

[Learn more about HomeShield](#)

Enhanced IoT Security

HomeShield identifies IoT devices, including cameras and voice assistants, to block all potential security holes and secure your privacy.

DDoS Attack Prevention

HomeShield will record abnormal incoming traffic, and the device will automatically block requests from enlisted IPs.

Robust Parental Controls

Manage online time and block inappropriate content to keep your family safe online.

Avira

Leading Security by Avira®

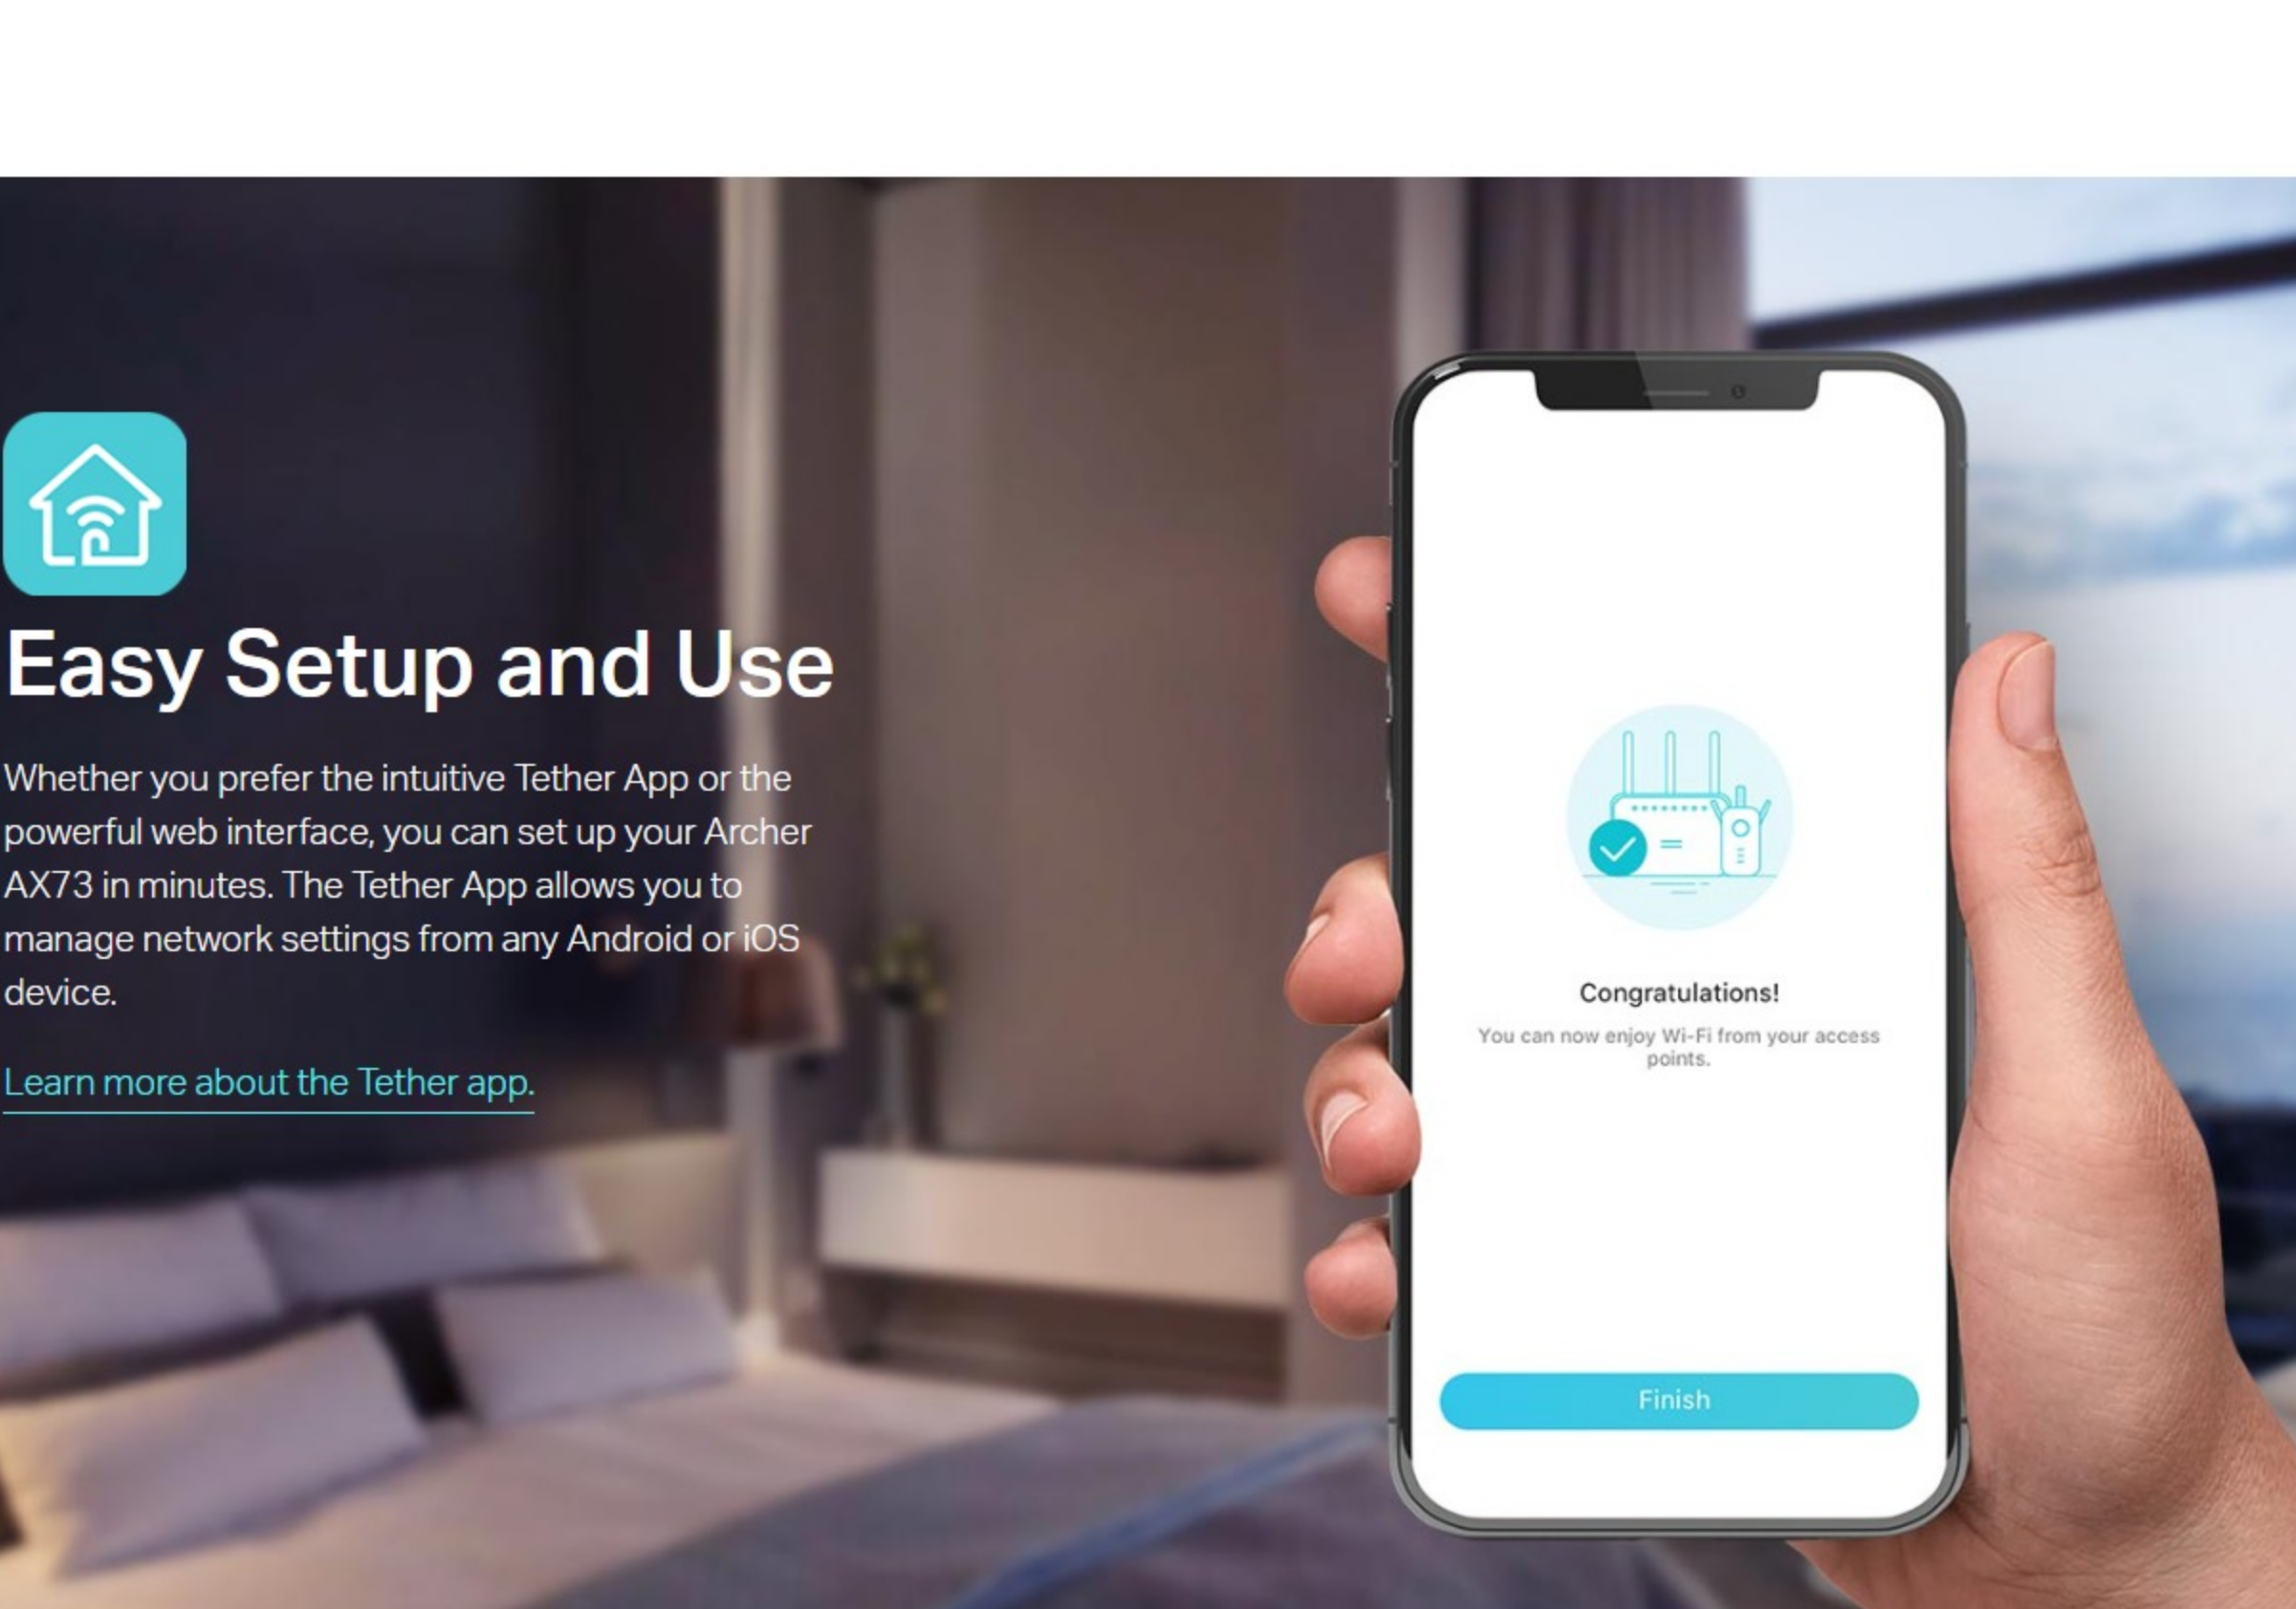

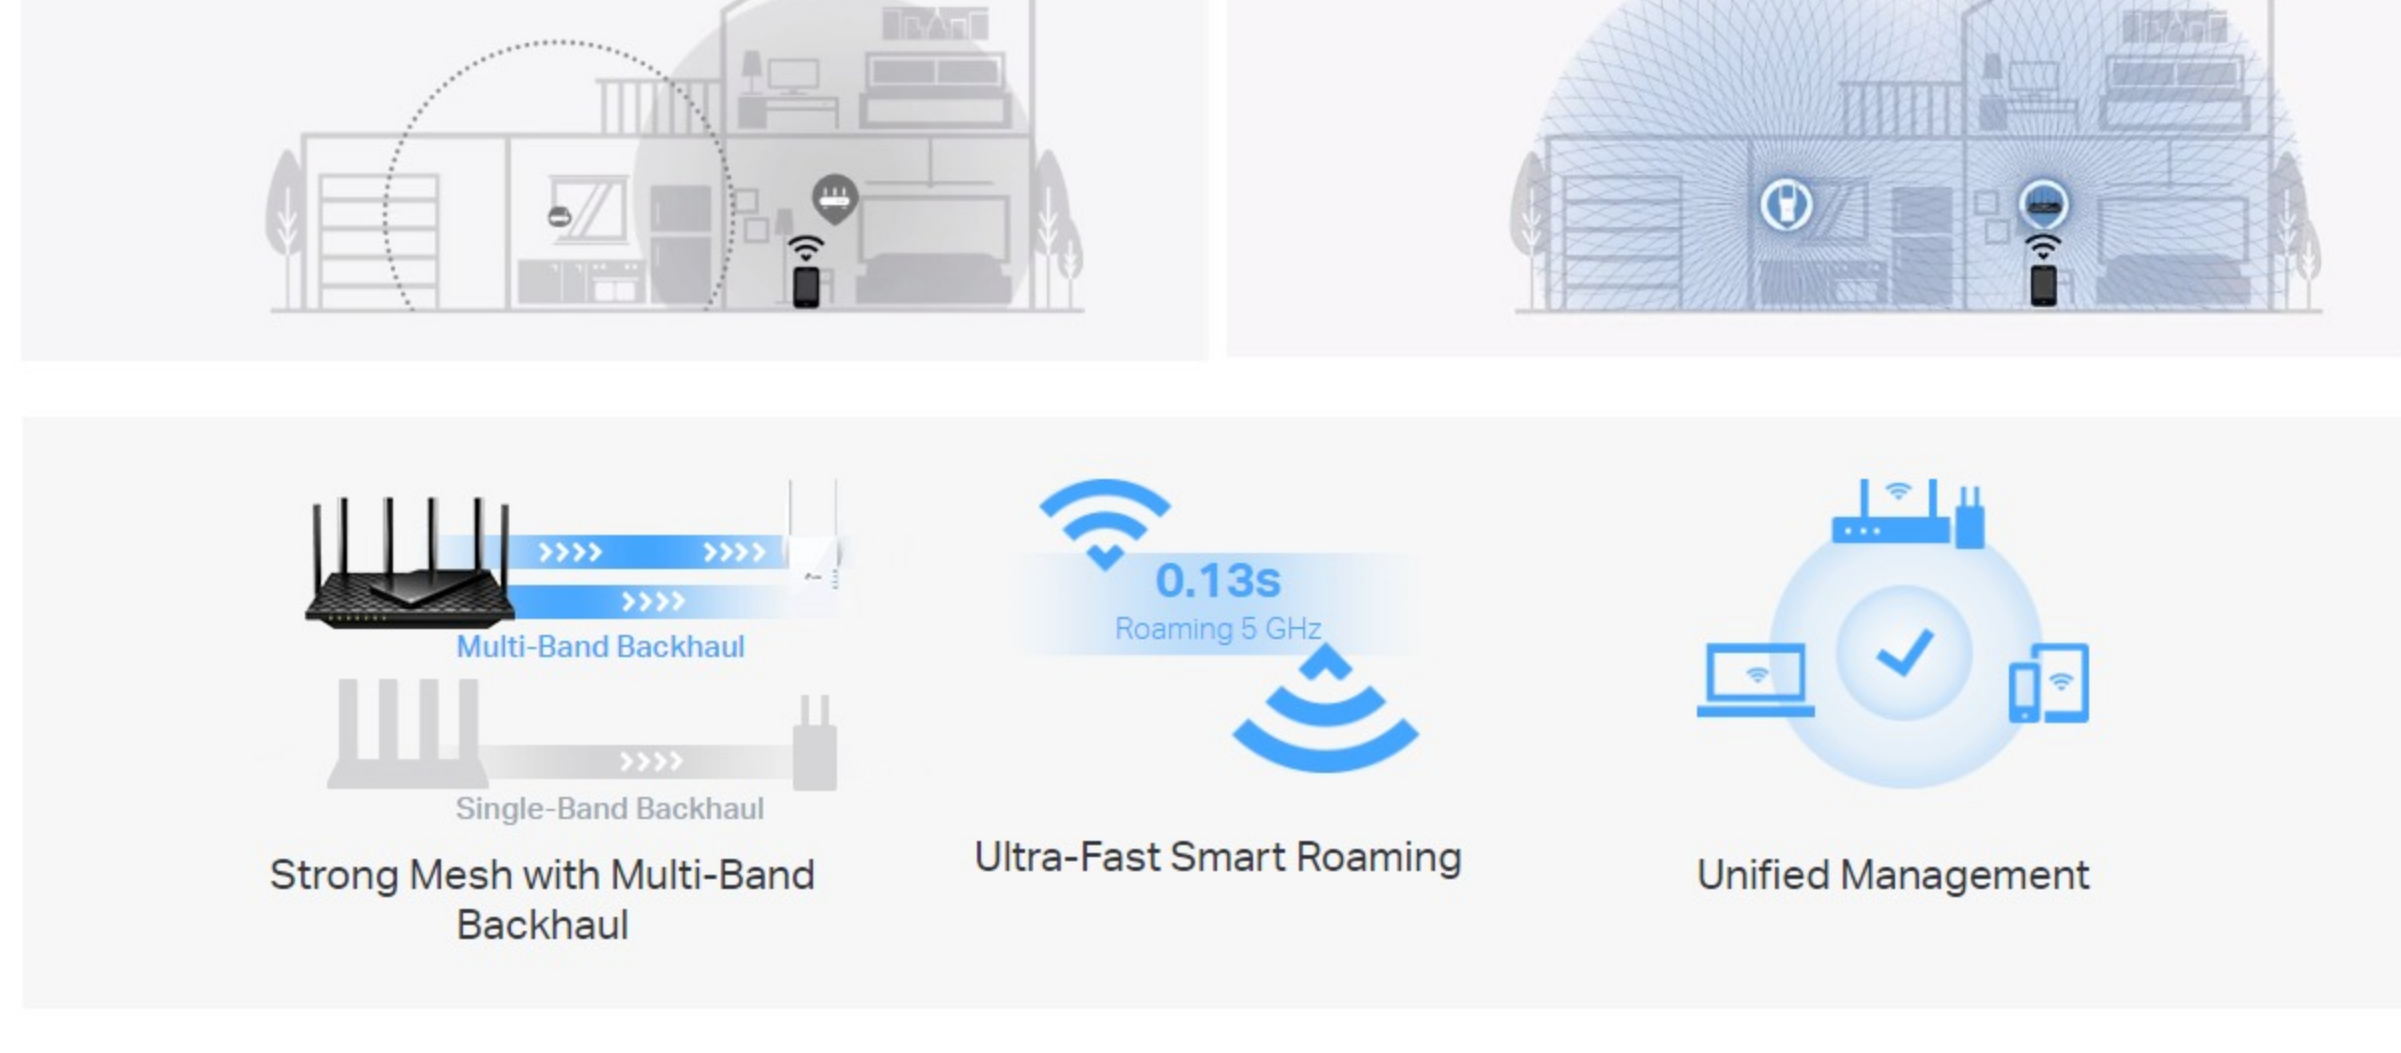

Avira, an award-winning tech company, relied on by 500 million users, powers HomeShield and continually updates it, ensuring your network stays care-free.
