

BLACK+DECKER®

Corded Upright Vacuum

The BLACK+DECKER BDXURV309G Upright Vacuum Cyclonic Cleaning Action rapidly spins debris away from the filter so suction power stays stronger, longer. Empty less often with the large two-liter bagless dust bin. Washable dust bin and anti-allergen HEPA H12 filter for low maintenance costs and thorough cleaning. The 1,200 Watt motor can be operated continuously and reliably with plug in power. No charging or replacement batteries required.

- **Cyclonic Action:** Rapidly spins debris away from filter so suction power stays stronger longer
 - **Large Capacity and Anti-Allergen HEPA H12 Filter:** Empty less often with large two-liter bagless dust bin. Washable dustbin and anti-allergen HEPA H12 filter for low maintenance costs and easy, thorough cleaning.
 - **Powerful Motor and Unlimited Runtime:** Powerful 1,200-Watt motor can be operated continuously and reliably with plug in power. No charging or replacement batteries required.
 - **5-Position carpet height settings:** 5 different position settings to get optimal cleaning whether you are vacuuming deep shag carpet, or hardwood floors.
