

Online Control Panel

The control panel is used to display and execute product functions. Users can control smart devices through the panel remotely.

Configure Device Panel

After OEM products, you can design and develop panels as needed, or you can use a wealth of custom components to configure beautiful and easy-to-use panels.

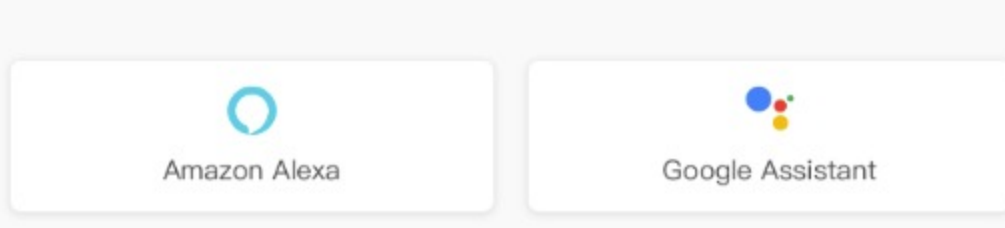

Product Parameters

Product model	ASHFL01F
Product Category	Floodlight Cameras
Product Color	White color
Market Specifications	US Standard,AU Standard,EU Standard,FR Standard,UK Standard,General Version
Battery Type	NO
Function Description	<p>eco4life Floodlight Security Camera w/Dimmable Motion Lighting, Motion-Activated HD Security Cam, 2 Way Talk, WiFi Surveillance 1080p HD, Indoor/Outdoor Color Night Vision, Alexa/Google, White</p> <p>Connect the floodlight camera with Alexa then enable announcements to be alerted when motion is detected. Talk to visitors through compatible Echo devices by saying "Alexa, talk to the front door".</p> <p>Time to Upgrade Your Floodlights: Traditional floodlights offer very limited functionality. Enhance your security by adding surveillance, real-time communication via 2-way audio, and more. Drop-in Anytime in 1080p. Live-stream and record in full 1080p HD so you can see exactly who's there in crisp clarity. Turn Night into Day, the 2500lumen super-bright motion-activated floodlights deter intruders and ensure detailed, full-color recordings even at night.</p> <p>Outsmart crime and protect what matters with this powerful security camera. Featuring adjustable super-bright floodlight that shines 2500 lumens, 2-way talk to scare off intruders, video recording, and loud siren, this security system is everything a burglar doesn't want. It is equipped with a 125-degree viewing angle to ensure that you never miss a thing.</p> <p>The floodlight security system detects warm moving objects, like people and cars, and triggers recording and push notifications so you can act immediately to prevent unwanted activity. With reliable notifications and fewer false triggers, you'll save time and stress..</p>
