

Boost your performance.

ADVANCED WORKOUTS

Sync workouts from your [Garmin Connect™](#) account and others such as [TrainingPeaks®](#), right to your Edge device. View your upcoming training and launch into the relevant workout seamlessly.

PERFORMANCE MONITORING

Improve your fitness with dynamic performance insights such as VO2 max, heart rate* and more.

MTB DYNAMICS

Track the epic details of every ride with new mountain biking metrics such as jump count, jump distance and hang time.

CLIMBPRO FEATURE

Automatically see the remaining ascent and grade when you're climbing while following a route or course. This helps you gauge your effort and see how much you have left to suffer.

Find your way.

MULTI-GNSS

Edge 130 Plus uses multiple satellite systems (GPS, GLONASS and Galileo) to track in more challenging environments than GPS alone. A built-in altimeter also shows how high you've ridden.

EASY NAVIGATION

Stay on track with turn prompts, plus a breadcrumb map to see where you've been and where you're going. At the end of the ride, Edge 130 Plus can even direct you back to your starting location.

CRISP, CLEAR SCREEN

See your directions on a 1.8" display that's sharp and easy to read in direct sunlight or low-light conditions.

Increased cycling awareness.

VARIA™ COMPATIBILITY

Pair the Edge 130 Plus with our [Varia rearview radar and lights](#) so you can easily see and be seen.

INCIDENT DETECTION

This Edge automatically sends your location to preloaded emergency contacts if it detects an incident¹.

Get connected.

SMART NOTIFICATIONS

Receive texts and alerts right on your Edge, when paired with a [compatible smartphone](#).

CONNECT IQ™

Download custom data fields from our [Connect IQ Store](#) to see more of your stats at a glance.

SYNC WITH GARMIN CONNECT

The [Garmin Connect](#) app is home to a thriving online community where people on the go can connect and compete – and even share their triumphs via social media.

SMART TRAINER COMPATIBILITY

Coming soon, pair Edge 130 Plus with your [Tacx® indoor trainer](#) so you can ride when you want and where you want.
