

Garmin Approach S62

Premium GPS Golf Watch

- Large 1.3" easy-to-read color touchscreen display (18% larger than Approach S60) with scratch-resistant ceramic bezel and interchangeable QuickFit bands
- More than 41,000 full-color CourseView maps preloaded from around the world
- Virtual Caddie suggests club based on typical distance the golfer hits that club, factors in wind speed and direction, and indicates where the golfer should aim on the map
- Hazard View allows you to quickly scroll through each hazard on the map
- PlaysLike Distance feature accounts for uphill and downhill shots
- PinPointer feature tells you the direction to the pin when you have a blind shot so you can know where the pin is—even if you can't see it
- Green View feature allows manual pin positioning; quickly reference distances to the front, middle and back of the green as well as hazards and doglegs

BIGGER SCREEN

Large 1.3" easy-to-read color touchscreen display is 17% larger than Approach S60 to make your experience that much better.

CUSTOMIZABLE WATCH FACES

Download custom watch faces, apps and widgets from the Connect IQ Store, and customize your watch face with any photo from your mobile device.

GOES BEYOND THE COURSE

Whether you just got done with a game and find yourself in the clubhouse, or you want to hit the town, Approach S62 is great for everyday wear.

QUICKFIT BANDS

If you like to change watch bands as often as you change your course, no problem. Choose from interchangeable QuickFit bands.

VIRTUAL CADDIE

Get caddie help right on your wrist. Virtual Caddie factors in wind speed and direction and suggests a club based on the distance you typically swing with that particular club.

WIND SPEED AND DIRECTION

The watch displays wind speed and direction (when paired with a compatible smartphone), which makes figuring out which club to use and which direction to swing much easier.

41,000 PRELOADED COURSES

Your watch comes preloaded with more than 41,000 full-color CourseView maps of golf courses from around the world. Download updates for the course you play most often.

PLAYSLIKE DISTANCE

The PlaysLike Distance feature adjusts yardages to account for uphill and downhill shots.
