

## FIT GLOBAL CONNECTIVITY INTO YOUR PALM

inReach Mini is your go-to connection for maintaining off-the-grid contact. It's our palm-sized satellite communicator for adventures where size and weight matter.

Need assistance? Send interactive SOS alerts anytime, globally.

No matter where you are, two-way messaging lets you connect to the ones who matter.

Let loved ones know precisely where you're roaming with location tracking and sharing.

Get connectivity and peace of mind on your other Garmin devices.

Open up inReach and your phone to new capabilities by using the [Earthmate](#) app.

Get weather updates delivered to the palm of your hand.

## Stay in touch using inReach technology.

### TWO-WAY MESSAGING

Exchange text messages with loved ones, post to social media, or communicate inReach to inReach in the field ([satellite subscription required](#)).

### INTERACTIVE SOS ALERTS

In case of emergency, trigger an interactive SOS message to the Garmin IERCC, a 24/7 staffed professional emergency response coordination center ([satellite subscription required](#)).

### LOCATION SHARING

Track your location, and share it with those at home or out in the field so they can see your progress or ping your device for your GPS location and more ([satellite subscription required](#)).

### 100% GLOBAL IRIDIUM SATELLITE NETWORK

Instead of relying on cellphone coverage, your messages, SOS alerts and tracking are transferred via the global Iridium satellite network ([satellite subscription required](#)).

### INREACH WEATHER FORECAST SERVICE

Get detailed weather updates on inReach Mini or a compatible device. You can even request forecasts for your current location or other waypoints or destinations on your itinerary.

## Your adventure-ready companion.

### COMPACT, RUGGED DESIGN

Don't let the 4" x 2" size and 3.5 oz weight fool you. inReach Mini is tough, durable, impact resistant (MIL-STD-810F) and water-rated to [IPX7](#).

### FLEXIBLE SATELLITE AIRTIME PLANS

To access the Iridium network and communicate with your inReach Mini, an active satellite [subscription](#) is required. You can opt for an annual package or a month-to-month plan.

### CLOUD STORAGE AND TRIP PLANNING

Get free access to the cloud-powered [Garmin Explore](#) website to plan your trips, create preset messages and quick texts, sync and manage your device settings and much more.

### BATTERY LIFE

The internal, rechargeable lithium battery gives you up to 90 hours' use at the default 10-minute tracking mode and up to 24 days in power saving mode.

## Connect to more capabilities.

### EARTHMATE APP

The [app](#) lets inReach Mini sync with [compatible mobile devices](#) for access to unlimited maps, aerial imagery and U.S. NOAA charts. You can also use inReach features on the paired device.

### OTHER GARMIN DEVICES

Remotely control inReach Mini to send and receive messages using compatible Garmin handhelds, wearables or other mobile devices.

### GARMIN PILOT™ APP

Pair with the [Garmin Pilot](#) app to easily send and receive text messages from the cockpit – even without cellular reception. The app can use the inReach Mini device's GPS position and location sharing abilities for your flight.
