Features

Enjoy Road Trips with TripAdvisor

View TripAdvisor traveler ratings for hotels, restaurants and attractions along your route or near your destination.

Sites From The history Network

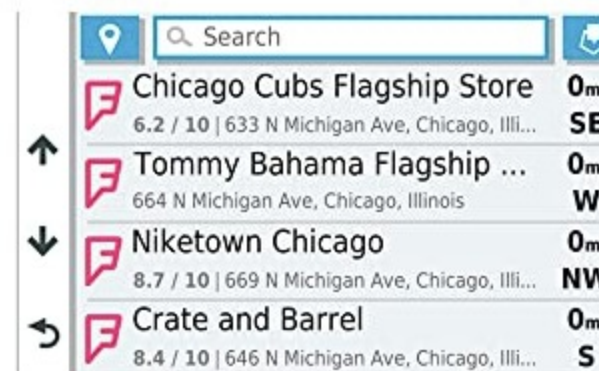

To make traveling more enjoyable, you'll find plenty to see and do with POIs from the history Network. It features pictures and descriptions of notable parks, monuments, museums and historic sites.

National Parks Directory

An included U.S. national parks directory helps you discover and enjoy some of America's most treasured natural resources and experiences. Easily navigate to places within the parks, including visitor centers, picnic areas, campgrounds, trailheads and more.

Features

New Shops and Restaurants

This navigator comes preloaded with Foursquare data, making it easy to find millions of new and popular places.

Driver Alerts: Know Your Surroundings

To encourage safer driving and increase situational awareness, driver alerts warn you of upcoming sharp curves, speed changes, railroad crossings and more.

Garmin Real Directions

Easy-to-understand, spoken turn-by-turn directions guide like a friend, using street names, store names and recognizable landmarks (e.g., 'Turn right after the red building').

Features

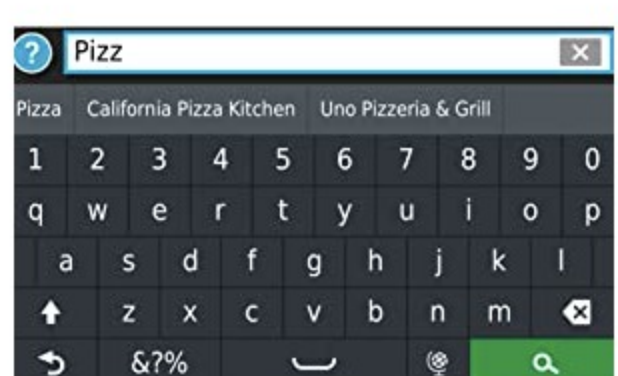

Check Up Ahead

The map shows stops for food, fuel and other milestones — such as upcoming cities — along your route.

Find Exactly Where You Need to Go

The Direct Access feature simplifies navigating to complex destinations such as airports or shopping malls. It even navigates through parking lots to find the entrance closest to your destination.

Easier to Search, Quicker to Find

A search field makes it easy to find addresses and millions of POIs. You're provided with search results that sound similar to what you've entered.
