

Built for every adventure.

ULTRABRIGHT DISPLAY

The 5.5" display is brighter than previous models and can be seen in any light. It's also glove-friendly with crisp HD resolution in landscape or portrait mode.

RUGGED BUILD

Go confidently into every ride with a navigator that's built to withstand all kinds of weather (IPX7) and rough terrain.

LASTING POWER

With the backlight set at 100% brightness, the battery lasts up to 3.5 hours, and it can go up to 6 hours on regular settings. Or you can hard-wire to constant power for longer adventures.

Explore all terrain.

BIRDEYE SATELLITE IMAGERY

You'll have access to BirdsEye Satellite Imagery around the world with direct-to-device downloads via Wi-Fi² connectivity² and no annual subscription.

PRELOADED ON-ROAD MAPS

Be ready for the ride with preloaded street maps for the U.S., Mexico, Canada, Puerto Rico, U.S. Virgin Islands, Cayman Islands and Bahamas. Map updates included.

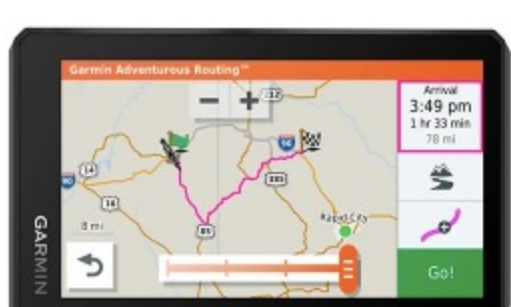

PRELOADED OFF-ROAD MAPS

Adventurous riding is encouraged with preloaded off-road topographic maps featuring North and Central America public land boundaries, 4x4 roads and more.

SIMPLE MAP SWITCHING

Quickly toggle between on-road maps, topographic maps and BirdsEye Satellite Imagery, so you can always have the perfect map for your ride.

GARMIN ADVENTUROUS ROUTING

Turn straightforward rides into twisting, gnarly adventures by selecting your road preferences.

TRACK RECORDER

Record your route by using the track recorder, and save or share it for future adventures.

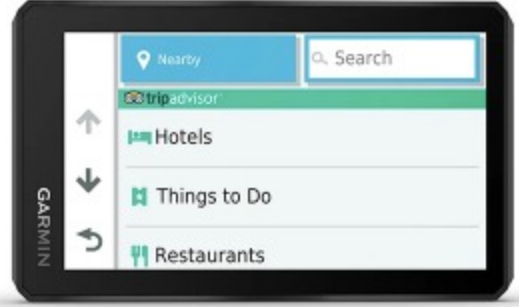

SHARE YOUR FAVORITE RIDES

Easily send GPX files from your phone³ to your zūmo XT, or share GPX files with fellow riders by using the [Garmin Drive™](#) app.

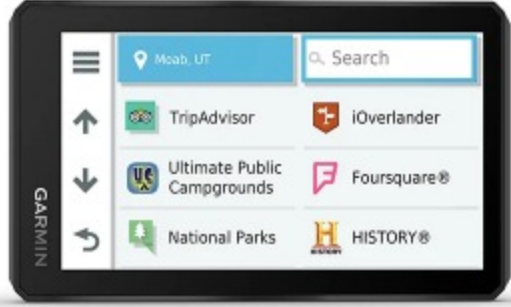

Made for motorcyclists.

TRIPADVISOR®

View TripAdvisor traveler ratings for hotels, restaurants and attractions along your route or near your destination.

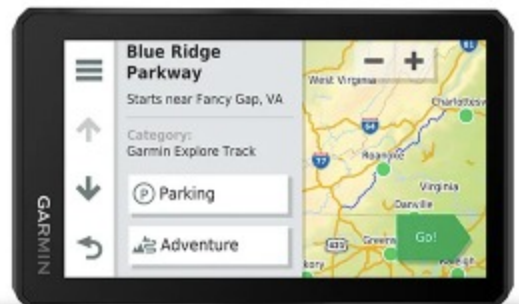

SIGHTSEEING MADE EASY

zūmo XT includes a HISTORY® database of notable sites, iOverlander™ POIs, Ultimate Public Campgrounds and a U.S. national parks directory and millions of popular places, thanks to Foursquare®.

RIDER ALERTS

Get alerts for hazards along your route, such as upcoming sharp curves, speed changes and more. You'll also be notified about state helmet laws and red light/speed cameras⁴.

MANAGE YOUR TRACKS AND ROUTES

Easily manage² and review routes, tracks and waypoints across your navigator, smartphone³ and computer using Garmin Explore™.

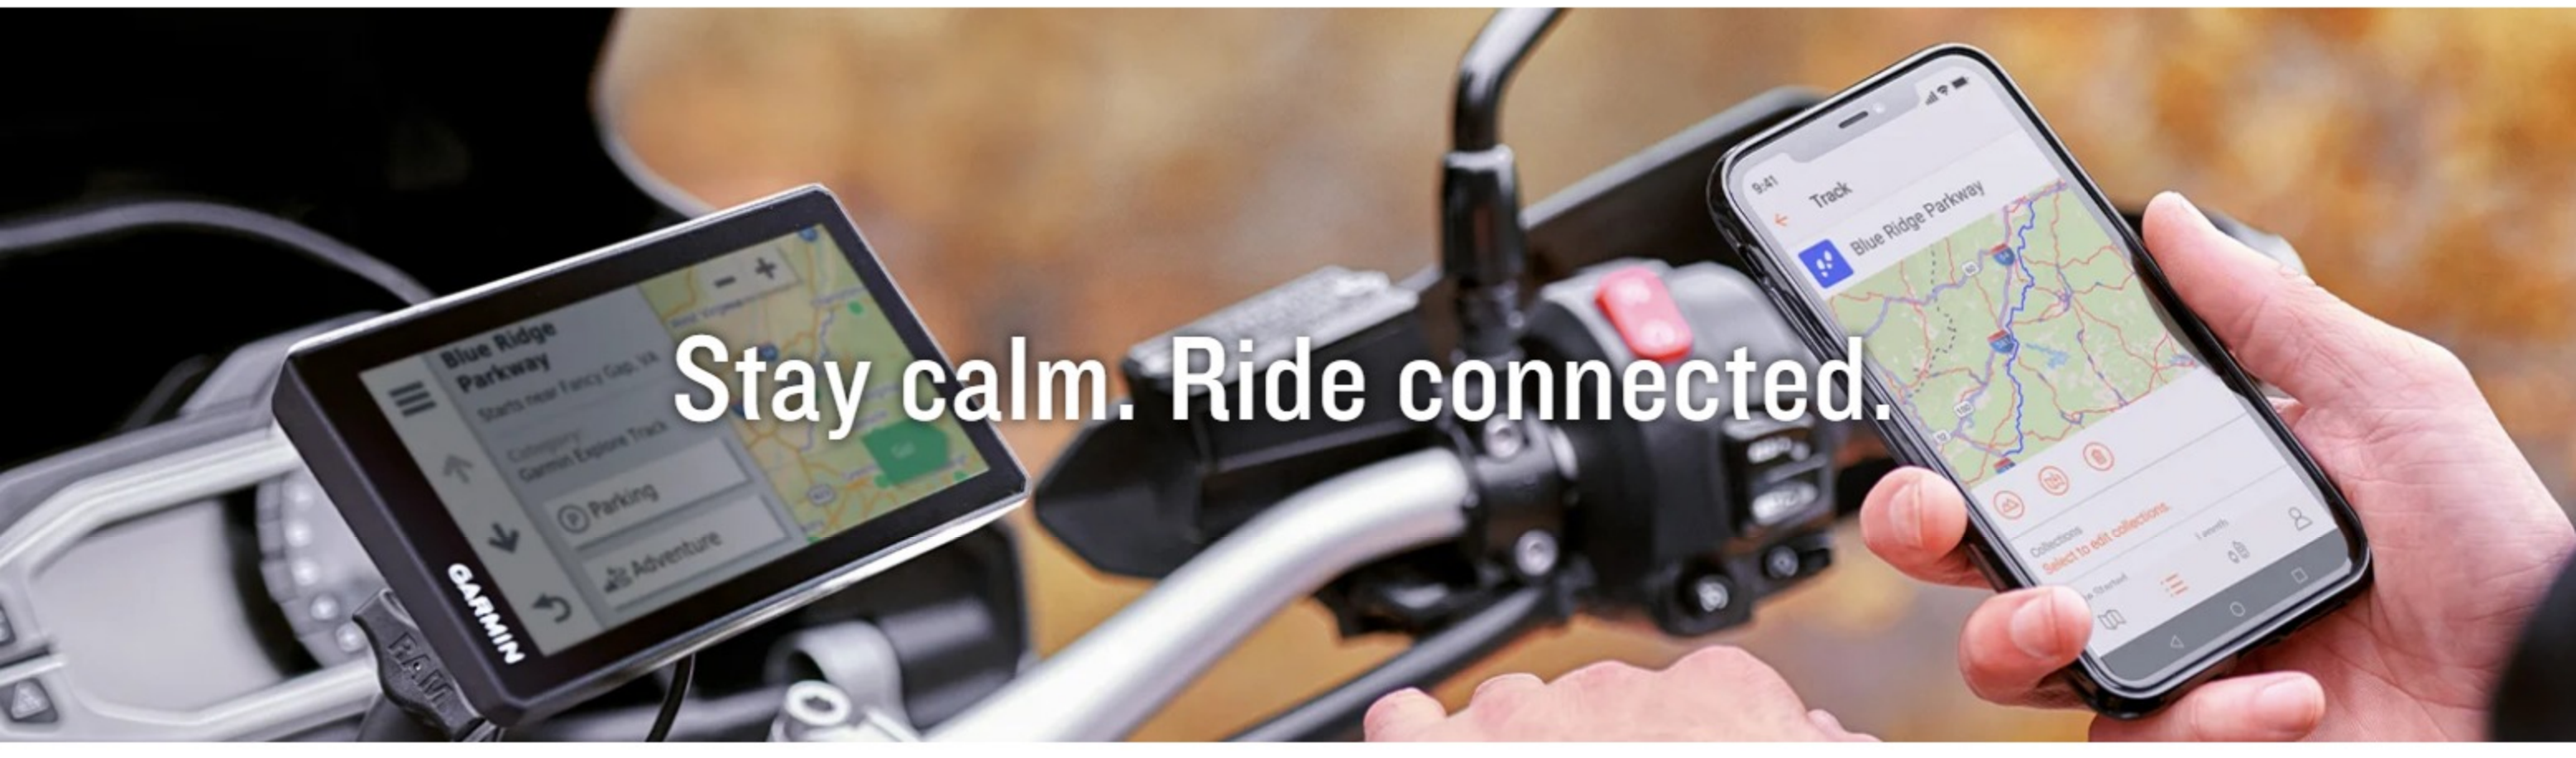

GARMIN REAL DIRECTIONS™

Get spoken turn-by-turn directions through your connected helmet or headset. They guide like a friend, using street names, store names and recognizable landmarks.

MUSIC

Stream music from your smartphone through the zūmo XT navigator, or play MP3 files stored on the navigator – all to your connected helmet or headset.

Stay calm. Ride connected.

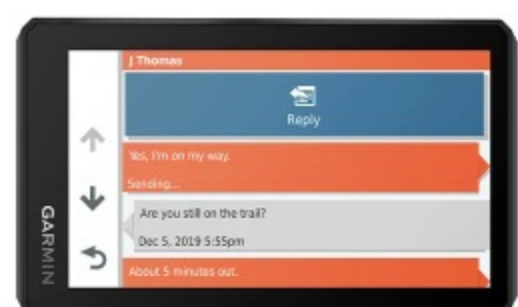

HANDS-FREE CALLING

With BLUETOOTH® technology, you can make hands-free³ calls. When paired with the Garmin Drive app on your phone, you can view smart notifications right on your zūmo display.

LIVE TRAFFIC AND WEATHER

Access³ real-time traffic and weather, share routes with other riders, and get phone notifications via the [Garmin Drive™](#) app.

INREACH PAIRING

Pair zūmo XT with a compatible inReach satellite communicator¹ for two-way messaging, location sharing and, in case of emergencies, SOS capabilities.

INCIDENT NOTIFICATIONS

If an incident occurs, a text message with location information is automatically sent to your predetermined contact³.

WIRELESS UPDATES

Built-in Wi-Fi² connectivity makes it easy to keep your maps and software up to date without using a computer. Onscreen cues show when new updates are available.

GROUP RIDES

The [Group Ride](#) accessory (sold separately) can be paired with zūmo XT for location tracking² for up to 20 riders in your group.
