

Easily see where you need to go.

EASY-TO-READ DISPLAY

With its bright, crisp 5.5" touchscreen display, this dēzl truck navigator is designed for easy in-cab viewing and intuitive operation.

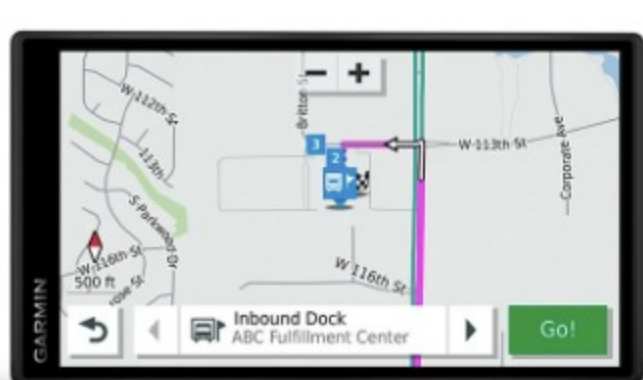

CUSTOM TRUCK ROUTING

Just enter your truck profile (customizable by height, weight, length, width and hazardous materials) to find truck-preferred routes¹ best suited for your rig and load.

BUILT-IN PREPASS NOTIFICATIONS

Save time and improve safety with on-screen notifications of upcoming weigh stations and bypass decisions. Requires active PrePass Account and use of the [Garmin Drive™](#) app on your compatible phone.

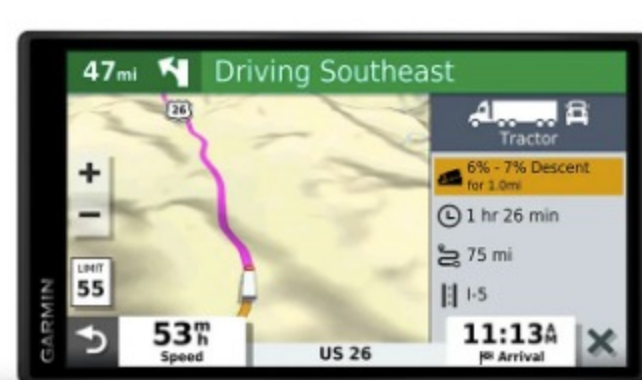

LOAD-TO-DOCK GUIDANCE

When approaching your destination, our industry-best load-to-dock guidance shows potential loading zones or storage lots to help clarify where you need to go.

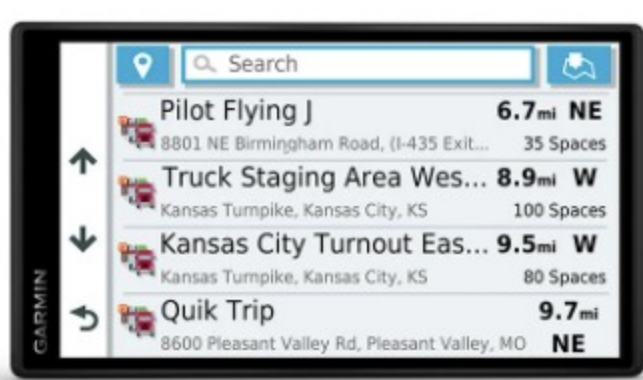

POPULAR TRUCK ROUTES

Driving in unfamiliar territory? See popular truck routes used by other truckers to increase your situational awareness.

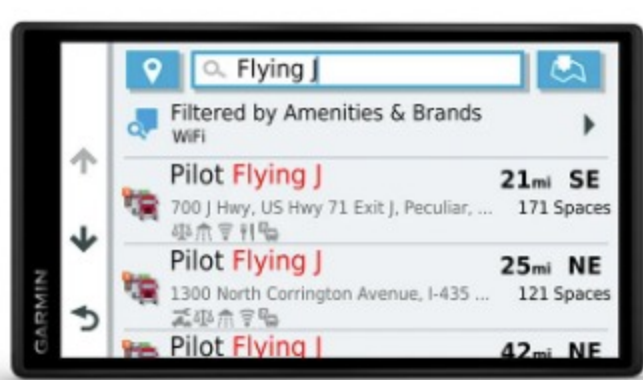

DRIVER ALERTS

To encourage safer driving and increase situational awareness, driver alerts warn you of upcoming sharp curves, speed changes, railroad crossings and more.

TRUCK-FRIENDLY PARKING

Need to park your rig? See truck-specific parking at truck stops and rest stops along your route while connected to the [Garmin Drive™](#) app on your compatible smartphone.

PICK THE RIGHT STOP

Locate preferred truck stops with the preloaded directory of Truck & Trailer Services. It lets you filter listings by brand or amenity, such as "Flying J" or "Showers."

ELD COMPLIANCE

This dēzl works with the [Garmin eLog™](#)-compliant ELD (sold separately) for subscription-free Hours of Service recording. Complete this compliance solution when paired with your compatible smartphone or tablet enabled with GPS and BLUETOOTH technology.

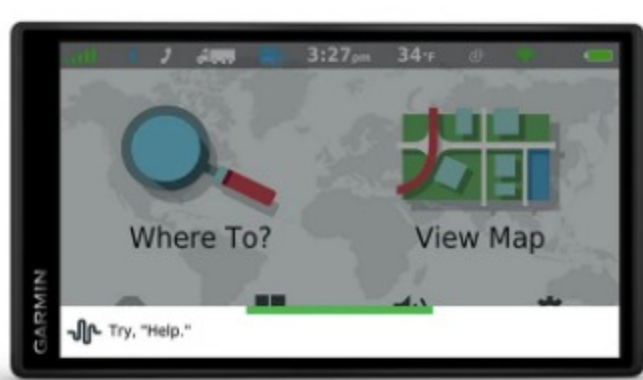

EASY BREAK PLANNING

Receive timely notifications that help make the most of each stop.

Welcome to smarter driving.

VOICE ASSISTANT

Need directions? Just say the word. Your dēzl voice assistant responds to your spoken requests, so your hands can stay on the wheel, and your eyes can stay focused on the road.

WIRELESS UPDATES

Built-in Wi-Fi® connectivity makes it easy to keep your maps and software up to date without using a computer. On-screen cues show when new updates are available.

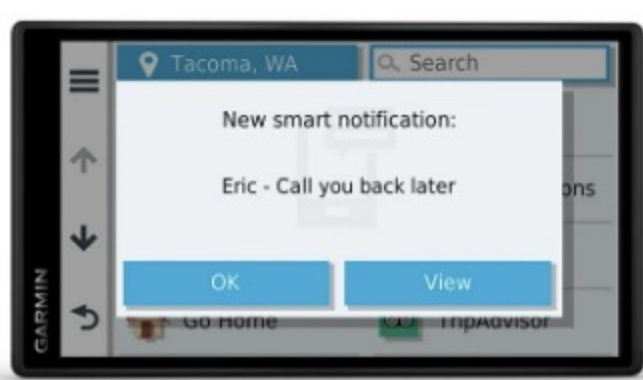

TRAFFIC, WEATHER AND FUEL PRICES

Pair dēzl OTR500 with your compatible smartphone, and download the [Garmin Drive](#) app to access live traffic, weather and real-time fuel prices. Plus, access photoLive traffic cameras (where available).

HANDS-FREE CALLING

Built-in BLUETOOTH® wireless technology lets you sync your compatible smartphone with your dēzl navigator to make calls without taking your hands off the wheel.

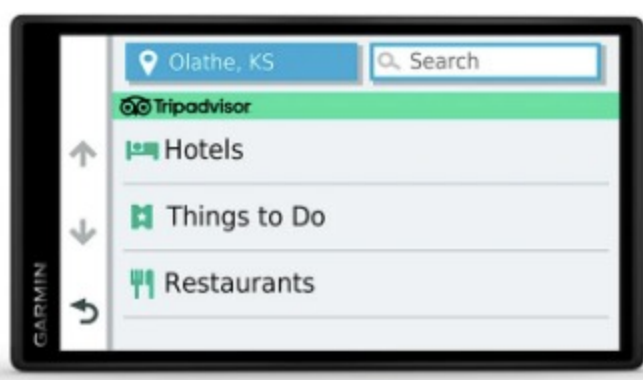

SMART NOTIFICATIONS

When paired with the [Garmin Drive](#) app, you'll be able to see text messages and other notifications from your compatible smartphone displayed on the navigator's screen.

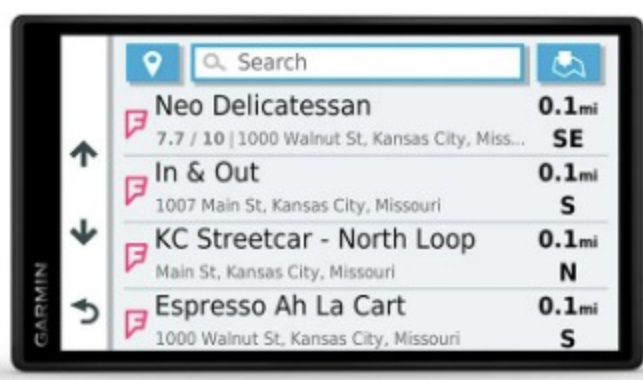

Enjoy a more satisfying life on the road.

TRIPADVISOR®

View Tripadvisor traveler ratings for hotels, restaurants and attractions along your route or near your destination.
