

RAZER
KRAKEN BT KITTY
EDITION

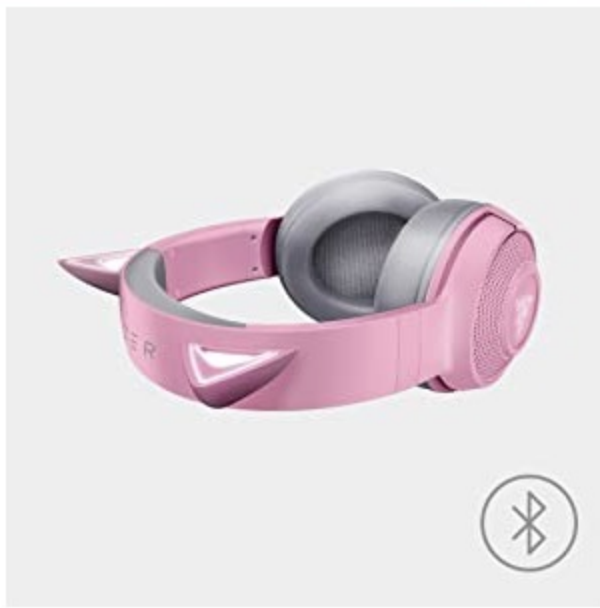

THE MEOW FACTOR. NOW MOBILE.

Kitty Ears & Earcups Powered by Razer Chroma RGB

The style possibilities are endless—with 16.8 million colors and a suite of lighting effects, you'll be able to customize the headset to your heart's content.

Bluetooth 5.0

When not in Gaming Mode, its wireless connection remains just as stable and uses less power—meaning the headset can last up to 20 hours with lighting on, or up to 50 hours with the lighting off.

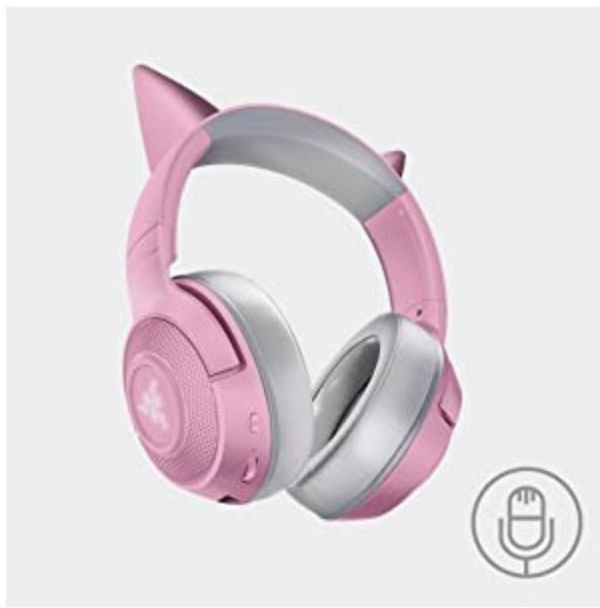

40ms Low Latency Connection

Activate Gaming Mode to boost the headset's wireless performance during competitive games, and be quicker to aim or react with audio and video that's even more in sync.

Custom-Tuned 40mm Drivers

At its core, the headset provides a rich audio experience that increases your gaming enjoyment, pushing out clear trebles and midrange as well as deep, impactful bass.

Beamforming Microphone

With a sweet spot for your voice that's designed to pick up less noise from every other direction, the mic has no problems helping you sound as good as you look.

Razer Audio App for Android and iOS

With this easy-to-use mobile app, you can change equalizer settings, check battery status, perform firmware updates and much more, anytime, anywhere.

FOR GAMERS. BY GAMERS.™

Whether it's hardware, software or services, our high-performance products are equipped with the latest tech innovations to help you game at your best. Gain access to a full gaming ecosystem supported by Razer Chroma™ RGB lighting, and build towards the battlestation of your dreams.
