

4K ULTRA HD

Immersive cinematic experience

Unlock a complete 4K Ultra HD experience - With support for leading HDR formats, Dolby Atmos Audio, access to the latest 4K content, and a lightning-fast processor, Fire TV Stick 4K enables you to experience the beauty of 4K Ultra HD movies and shows on your TV.

Finding 4K Ultra HD content has never been easier on Fire TV—just press and ask, "Alexa, find 4K movies," or browse recommendations on your home screen.

Alexa Voice Remote

You can control your compatible TV, soundbar, and receiver with power, volume, and mute buttons. Just press and ask to easily find, launch, and control movies and TV shows.

"Alexa, find dramas."

True-to-life picture quality

Enjoy stunning 4K Ultra HD streaming at up to 60fps. Experience the vivid, lifelike colors and exceptional clarity of Dolby Vision, HDR 10, HLG, and HDR10+. Feel scenes come to life with immersive Dolby Atmos audio on select titles, including on Prime Video, Netflix, and Disney+, when connected to compatible soundbars and home audio systems.

Find content fast

Streaming on Fire TV is simple and intuitive. It all starts with the Main Menu, where you can quickly access your favorite content. Search across hundreds of channels and apps to find what you want to watch. Enjoy personalized streaming using Profiles, with recommendations, viewing history, and watch lists for each person in your household. Learn more here.

500,000+ movies and TV episodes

Enjoy favorites from Netflix, YouTube, Prime Video, Disney+, HBO Max, Apple TV+, STARZ, SHOWTIME, Paramount+, and others. Stream live news, sports, and must-see shows, plus thousands of titles in brilliant 4K Ultra HD, HDR, HDR10+, or Dolby Vision. Access tens of thousands of HDR titles. Plus, play millions of songs through services like Amazon Music, Apple Music, Spotify, Pandora and iHeartRadio. Subscription fees may apply.

Watch live TV and free TV

Stream live TV, including news and sports, with subscriptions to Hulu+ Live TV, SLING TV, YouTube TV, and others. Plus, watch movies and TV shows for free with ad-supported apps like Pluto TV, IMDb TV, and more.

Prime members get more from Fire TV

100+ channels like HBO, SHOWTIME, STARZ, Paramount+, Cinemax, and more are available for Prime members to add—no extra apps to download, and no cable required. Only pay for the channels you want and cancel anytime.

TV is just the beginning

Fire TV is always getting smarter with new Alexa skills and voice functionality. View live camera feeds, check the weather, order a pizza, and stream music. Learn more about compatible smart home devices.

"Alexa, show me the nursery."

Plug and play, out of the way

The compact design plugs directly into an HDMI port and can tuck neatly behind your TV. Easily move Fire TV Stick 4K between TVs at home or away so your content travels with you.

Simple to set up and use

Every day is an earth day

You don't have to be an environmental scientist to make sustainable choices. We considered sustainability in the design of this device. Here's how:

- Low Power Mode**
To reduce its energy consumption, this device will enter Low Power Mode when it goes to sleep. Learn more here.
- Device Packaging**
97% of this device's packaging is made of wood fiber-based materials from responsibly managed forests or recycled sources.
