

PROFESSIONAL GRADE RECORDING

Talk features a studio-quality resolution of 96kHz/24BIT to ensure the recording is clear, detailed, and delivers great dynamic sound range for everyday use. Great for home, in the office or outdoors.

4 DIRECTIONAL PATTERN MODES

Talk features four directional pattern modes: Cardioid, Omnidirectional, Stereo, and Bidirectional. Great for individual or business calls, voiceovers, podcasting, music recording, and even ASMR. Choose the mode that suits your needs.

PATTERN MODES & EXAMPLES

CARDIOID

Individual calls,
Gaming, Streaming,
Voice over, Podcasting,
ASMR, Vlogging

STEREO

Music recording,
ASMR

OMNI

Business calls,
Group streaming,
Group voice over,
Multi-person podcasting,
Group music recording

BIDIRECTIONAL

Two-person interviews /
streaming / voice over,
Duet music recording

CONTROL YOUR RECORDING

Adjust the gain control if there is any sensitivity, lack of sound or distortion. Choose your audio preference with the adjustments in loudness with volume control, and a 3.5mm AUX input for real-time listening with zero latency.

PLUG AND PLAY

Talk offers a 6.5-foot USB/USB-C input cable to plug into your device and operate your recording hassle-free. Use the standard-sized 5/8" input for swivel mounting anything, like camera tripods or other stands. Talk is free from drivers, and features plug and play, allowing you to record within seconds.

FEATURES

- Condensers: 3
- Directional Patterns: Cardioid, Omnidirectional, Stereo, and Bidirectional
- Controls: Volume Control, Gain Control, and Quick Mute
- Plug and play: 6.5ft USB/ USB- C braided cable

TECHNICAL SPECIFICATIONS

- Transducer Type: Condenser, Pressure Gradient with USB digital output
- Polar Patterns: Cardioid, Omnidirectional, Stereo, and Bidirectional
- Frequency Response: 20Hz - 20kHz
- Max SPL: 120DB
- Sample Rate: 96k
- Bit Depth: 24
- Capsules: 3 x 14mm condenser capsules
- Weight (Microphone Body): 215gr
- Weight (Microphone with stand): 412.7gr
- Dimension: 135 x 70 x 63mm
- Dimension with tripod position: 235 x 195 x 195mm
- Cable Weight: 55gr
- Latency: 0

SYSTEM CONNECTION

- Windows: 7,8,10
- Mac: 10.10 or higher
