

### Space Invaders Forever

Space Invaders Extreme has arrived to invade consoles with greatly improved graphics and interactive sound to deliver a new immersive experience! Packed with vibrant visuals and a pulsing soundtrack. Space Invaders Extreme comes with 16 stages, packed with devious invaders and fiendish boss fights. Practice individual stages in Free Play, then boost your high score to new heights in Arcade Mode! Can you find all the countless, hidden bonuses? Welcome to the new invasion!

### Back again - arcade legend and icon of gaming history!

Space Invaders Gigamax 4 SE will finally be available on consoles as part of the Forever Collection. Team up with up to 3 friends to shoot down the invaders to clear the stages as fast as possible. This brand new 4-player-coop-experience offers new stages, gimmicks and new music written by TAITO's in-house sound team 'ZUNTATA'. Arkanoid vs. Space Invaders is the perfect union of two Arcade Kings. Two of TAITO's most iconic and beloved video game series clash on console and combine elements from both arcade classics. Players are controlling the Arkanoid Vaus paddle ship to defeat waves of Space Invaders. Beat all 150 stages with your skills and unlock 40 different characters from the TAITO legacy. Each character has unique abilities - use more than 20 different skills, including power-ups and protective fire. Are you ready to defeat the huge 3D Invader bosses and save the galaxy?
