

With our engineering expertise and experience, we've developed accessories built to innovate gaming and enhance the way you play. Our gaming accessories are built for comfort, performance, value, and allow players to stand out from the crowd. Customize and enhance your gameplay with the unique features in products like the:

LVL40 Wired Stereo Gaming Headset - Xbox Series X | S, Xbox One

Comfortable, Lightweight Build

The lightweight build offers long-lasting comfort whether you're spending the day in co-op missions, or just playing a quick match.

Noise-Cancelling Microphone

Give your team clear commands through the flexible, noise-canceling microphone, or flip it up to instantly mute it.

40mm High-Definition Drivers

Hear your enemies before you see them with the two powerful 40mm speaker drivers.

Officially licensed by Xbox
Compatible with Xbox Series X|S, Xbox One, and Windows 10 PCs.
