**ULTRA SLIM 1.5 MM  
THINNESS FOR  
COMPACT PORTABILITY**

With a form that thin, the Razer Goliathus Mobile Stealth Edition is incredibly easy to carry around. It measures the same size as the Razer Goliathus Small and is absolutely durable. You can fit this mouse mat between your laptop screen and keyboard, or roll it up and place it in your bag without worrying about it ever warping.

**HIGH-QUALITY  
TEXTURED CLOTH FOR  
PERFECT SPEED AND  
CONTROL**

Adhering to the strict standards of top Esports athletes, the Razer Goliathus Mobile Stealth Edition provides you with a surface that gives you both precision to focus on fine details as well as speed to quickly switch between multiple windows.

**SUPER FINE  
MICROTEXTURE WEAVE  
FOR TOURNAMENT-  
GRADE TRACKING**

Woven into the surface are super fine micro textures which have been engineered specifically to work with all mice, so even the smallest movements you make with your mouse are accurately translated on screen.

The Razer Goliathus Mobile Stealth Edition is part of the Razer Productivity Suite, which comprises of high performance products designed especially for professional use.
