Compete with Control

The wired competitive gaming headset that heightens your senses. Featuring THX Spatial Audio for 360° positional sound, full audio controls, and game/chat balance to fully unleash your predatory instincts in games.

Featuring THX Spatial Audio

The Next-Generation Surround Sound in Gaming

With THX Spatial Audio, sound is created in a sphere around you. From the hurried footsteps of the oncoming enemy to the roaring engine of a bomber overhead, it lets you experience greater spatial awareness in your game as you embark on truly lifelike battles filled with immersion.
