

Desktop Monitor Stand - Height Adjustable | Integrated 15W Wireless Charging Pad

Avoiding Neck/Shoulder Strain while Saving Space

This computer monitor stand enables you to **easily increase the maximum height of your monitor by 3.3" or 4.6" from the desk surface**, reducing neck/shoulder strain.

With a **mounting surface of 23.6 in (60 cm) x 9.8 in (25 cm)**, the monitor stand **creates a storage area of 21" under the platform** to store devices like your docking station, USB Hub, keyboard, or office supplies.

Wirelessly Charge Your Mobile Devices

Securely charge your smartphone or tablet with the **integrated Qi Certified 15W wireless fast charging pad**.

The charging pad **sits flush with the surface of the riser** for a clean and sleek design.

Protect Your Desk

With the **included rubber feet**, your riser will stay in place and will ensure your desk surface is protected against scratches.
