# Highlights

## Hybrid Active Noise Canceling

When the song deserves your full attention, these wireless headphones let you immerse. One external mic and one internal mic combine to filter out external noise. Cover the right ear cup to trigger Awareness Mode, and bring the world back in.

## Sleek looks, superb sound

The round earcups lend a distinctive sense of style. The over-ear fit creates a seal that passively isolates external noise. Perfectly tuned 40 mm drivers deliver deep bass, a balanced midrange, and sparkling high frequencies.

## Philips Headphones app

Enhance the bass. Tone down the treble. The Philips Headphones app puts you in charge of the music you're listening to. Adjust levels yourself or choose from preset sound styles. You can also switch between preset ANC modes with a single tap.

## 20 hours play time

It doesn't matter whether ANC is on or off-you get 20 hours play time and the same crisp, detailed sound. A speedy 15-minute charge gives you an extra 5 hours play time. A full charge takes 2 hours via the included USB-C.

## Touch controls

The cushioned ear-cup cushions and headband are perfect for long listening sessions. There are touch controls for music and calls, and buttons on the right ear cup let you control ANC. The ear cups fold flat for easy storage.

## Clear calls

Calls are clear and you can connect to two Bluetooth devices at once. Ideal if you want to hear notifications from your phone while streaming podcasts via your laptop. There is Google Fast Pairing for Android phones.

## Google Assistant

Simply press the voice button to wake the Google Assistant, or any other voice assistant. The fully integrated Google Assistant lets you interact with your phone completely hands-free. Have notifications read to you, ask to play music-and more.

## Connect to any source

These Hi-Res Audio certified headphones let you immerse in your favorite albums-on your smart device, home setup, TV, or laptop. You can plug the detachable cable into high resolution equipment for wired listening.
