

Nextbase 222XR Dash Cam Full 1080p HD and rear 720p In Car DVR Camera- 140° 6 lane Wide Viewing Angle- Polarizing Filter Compatible- Intelligent Parking Mode- Loop Records- G-Sensor- The Nextbase 222XR Dash Cam offers amazing all round protection, with recording and an improved 6-layer glass lens. Nextbase's 222XR Dash Cam has an exclusive new Click & Go PRO Mount with 2 included adhesive pads, that offer a low-profile connection, enhancing the user experience. View all your footage on the 2.5" award-winning IPS screen with upgraded picture resolution and clarity for high quality recordings. Power cable wirelessly installs directly into the 222XR's mount.

Features:

- **1080P HD RECORDING AT 30FPS AND 140° WIDE VIEWING ANGLE** - The 222 records in 1080p HD resolution at 30fps with a 6G lens to provide high quality images and footage for your journey on the road and for insurance claims. The 140° wide viewing angle ensures that a wide coverage of the road ahead will be recorded.
- **WIDE 2.5" HIGH RESOLUTION SCREEN** - View all your footage on the 2.5" award-winning IPS screen with upgraded picture resolution and clarity for high quality recordings.
- **NEW AND EXCLUSIVE CLICK&GO PRO POWERED CAR MOUNT**- The new, exclusive car mount installs the power cable directly into the mount so that your dash cam is wireless. The integrated magnetic power connectors allow you to install and remove your dash cam easily.
- **HIGH PRECISION G SENSOR** - In the event of an accident, the G sensor will automatically safeguard recorded footage and move to a folder where the recordings will not be overwritten.
- **INTELLIGENT PARKING MODE** - The intelligent parking mode informs the dash cam that your car is parked, and will immediately record any bump or physical movement of the car when left unattended.
