

Description The thinnest Chipolo, perfect for finding your wallet, passport pouch, or remote control in seconds. Use the app to ring your misplaced item or double click

Features

Loud, Water Resistant Bluetooth Wallet Item Tracker
The ultra-thin Chipolo CARD plays a 95dB loud sound, which enables you to find your missing wallet fast. It's also water resistant so you can use it in all conditions without having to worry about damaging your tracking device.

Ultra-thin Design
At only 0.08 in. wide, the Chipolo Card is about the size of a credit card and easily fits inside your wallet.

Impressive Battery Life
We've reduced the battery consumption significantly by using Bluetooth low-power, allowing up to 18 months of battery life.

Free Out of Range Alerts
No more leaving your home without your keys or wallet. Receive a notification when going out and leaving your items behind. No subscription required.

Voice Controlled
With Siri, Amazon Alexa, and Google Assistant
