

ROIDMI Nano P1 Pro

A portable vacuum cleaner that weighs around 500 g and measures the size of a water bottle. Remove debris from your car seat, clean office desk, or get rid of dander and hair from your clothes — the Nano P1 Pro always gets the job done with powerful suction and effortless maneuverability. It also has a magnetic folding tip and can be recharged through USB, giving you more convenience when you're out and about.

Available in Black and White to match your style.

Surprisingly lightweight

The compact and lightweight design is the size of a water bottle, making it the perfect vacuum cleaner for on-the-go, ready to carry anywhere!

- Height: 275mm
- Diameter: 60mm
- Weight: 500g

Desktop placement

The compact design fits perfectly on any desktop due to its small and simple design. It's ready to use. Just grab and go.

A guardian angel in your travels

The slim size is easy to fit in your suitcase or bag — It's your guardian angel that keeps your travels clean and hygienic.

Just hang it on the wall

The Nano P1 Pro is equipped with a handy lanyard that makes it possible to hang anywhere. Hang it in the kitchen, in your wardrobe or even in the bathroom. It's there for you to use wherever you need it.

Clean the desk

The magnetic folding multi-function tips let you deal with dust and debris on your desktop. Even the hardest-to-clean keyboard gaps are easy to clean — keeping the desktop tidy is all up to you.

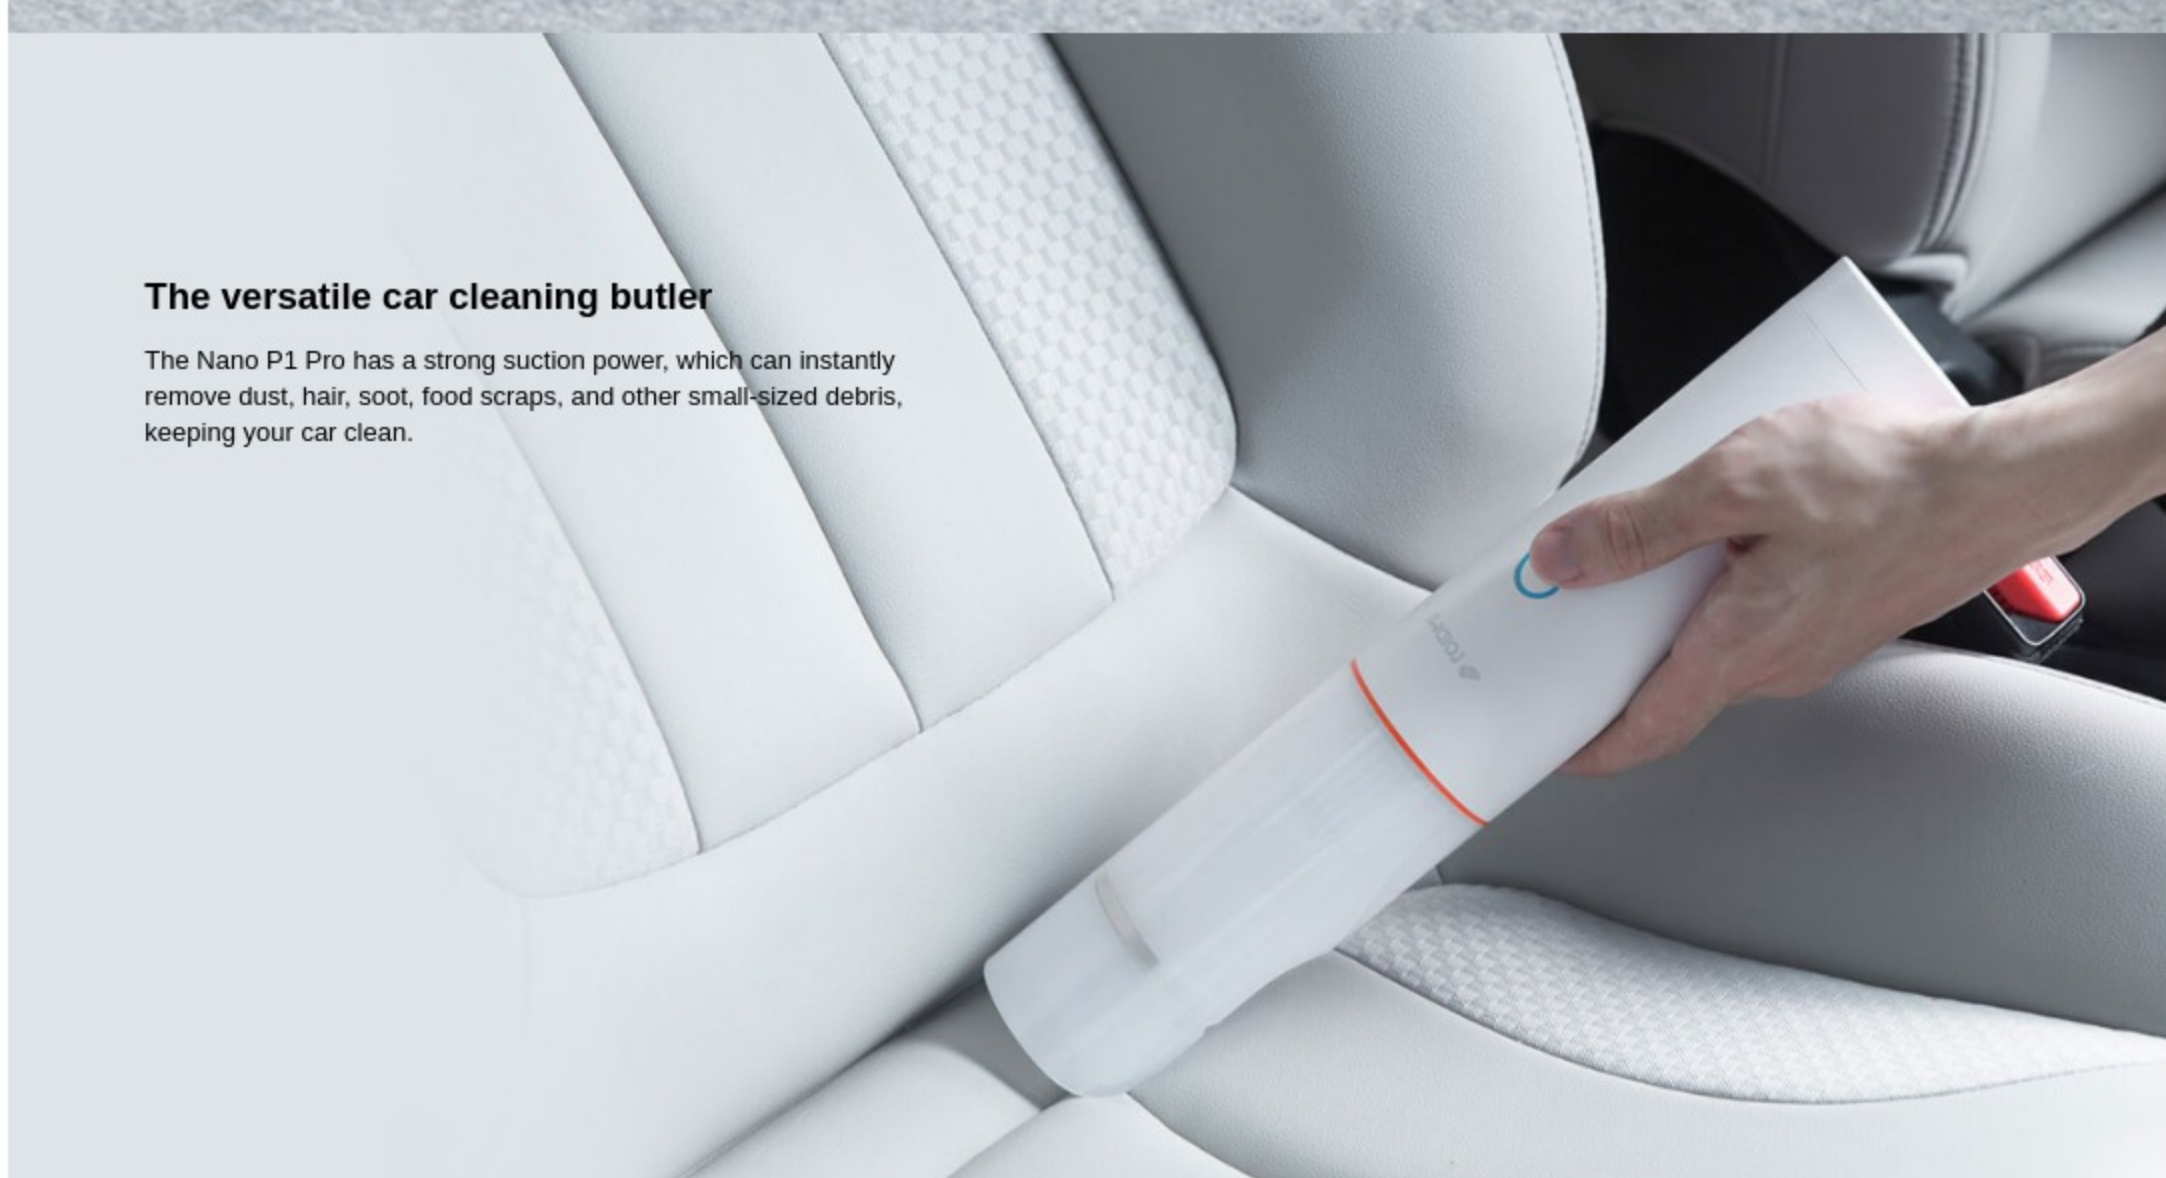

Clean hotel bedding. Eliminate mites and allergens

Before going to bed, it can be used as a simple portable mattress vacuum cleaner to clean the sheets. No longer worry about mites and allergens.

The versatile car cleaning butler

The Nano P1 Pro has a strong suction power, which can instantly remove dust, hair, soot, food scraps, and other small-sized debris, keeping your car clean.

Quick cleaning of clothes

Never be afraid of leaving your home not looking its best — keep the Nano P1 Pro in reach and let it help you gently remove dust, hair, dander and pet hair sticking to your clothes.
