Adjustable Height Handle & Seat

The handles and seats of our bicycles are adjustable. Simply flip the fold button and the user can adjust the height according to his or her height and needs.

Wear-resistant & Non-slip Tires

Made of high quality aging resistant rubber and aluminum alloy rims, our tires are non-slip and difficult to pierce. Thus, it can ensure your safety even on rainy days or rough roads.

BS Reflectors

BS reflectors on the pedals and wheels can reflect the light from the rear vehicle. In this way, the safety of the user while driving at night is also ensured.

Shimano Transmission Handle

The responsive Shimano 7-speed transmission handle allows you to switch different speeds anytime, anywhere, giving you a new experience during your ride.
