### Built for Smart Home

WiFi 6 (802.11ax) is engineered to cope with multiple devices, providing up to 4X greater network capacity and efficiency.

### WiFi that Goes Further

WiFi 6 provides increased WiFi signal range and better coverage of up to 80% farther.

### Faster WiFi. Smoother Usage.

With a total networking speed of 2700Mbps—RT-AX68U is 1.6X faster than 802.11ac 3X3 dual-band routers\*.

### Make the Internet a Safer Place for Everyone

AiProtection Pro with Advanced Parental Controls is free for life. It gives you total peace of mind, and you can keep an eye on everything that's happening on your network via the mobile app.

### More Privacy, Anywhere

Instant Guard gives you one-click secure internet access via RT-AX68U from anywhere in the world, thanks to its encrypted data-tunneling VPN technology. With RT-AX68U, you can take your home network with you wherever you go — and say goodbye to web-based third-party VPNs!

### Parental Controls for All Ages

Give your kids the internet access they need, whatever age they are, with RT-AX68U's flexible parental controls that let you customize settings for different age groups.

### Network Control in Your Way

RT-AX68U takes the pain out of managing your home network. It's easy to set up and easy to keep an eye on what's happening, via the intuitive PC interface or the ASUS Router app. With just a few taps or clicks, you can see when new devices connect or when new updates become available, and change settings to suit your needs.

### Flexible and Scalable Wireless Networking

If you need more coverage or new functions, you can simply add another compatible router to your AiMesh network at any time!
