

Compatible with Major Video Conferencing Software

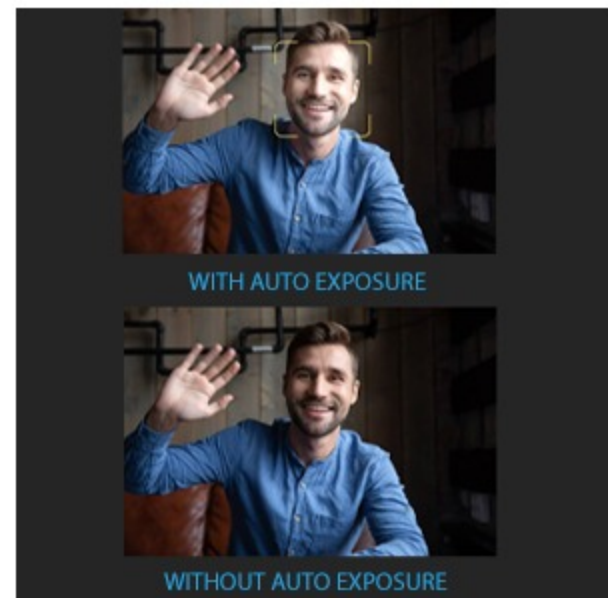

ASUS BE27ACSBK is Zoom Certified and has undergone comprehensive testing and review processes to ensure seamless communication. The built-in camera, microphone and speakerphone hardware have been tested for Zoom Rooms functionality and meet higher standards in both video and audio performance. BE27ACSBK is also compatible with popular videoconferencing applications such as Microsoft Teams, Cisco Webex and Google Meet.

Video Conferencing Shortcuts*

Buttons on the front panel make it easy to adjust volume, mute the mic or end the call.

*Shortcuts support will depend on the video conferencing software.

Face Auto Exposure

Technology integrated into the webcam detects your face automatically and fine-tunes the image to make your face look brighter and stand out from the background.

*mounting kit(optional) which allows you to attach a mini PC to the rear of the display to reduce unnecessary clutter in your workspace.
