

Whole-home Coverage

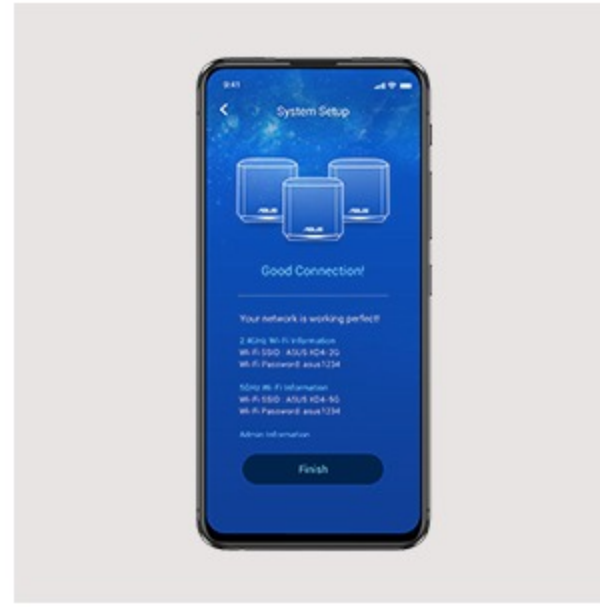

The ZenWiFi AX Mini system consists of one ASUS AX1800 WiFi 6 router and two extending node, featuring unique technologies that give you superfast, reliable and secure WiFi connections — inside or outside your home!

WiFi 6

ZenWiFi AX Mini puts your WiFi into top gear! With a total bandwidth of up to of 1800 Mbps, it's up to 1.4X faster* than WiFi 5 routers **.

* Compatible WiFi 6 device required. ** The data compares speed of 2X2 11ax on 5GHz 80 MHz bandwidth with 1024QAM modulation to speed of 2x2 11ac on 5GHz 80MHz with 256QAM modulation.

Easier-than-ever Setup

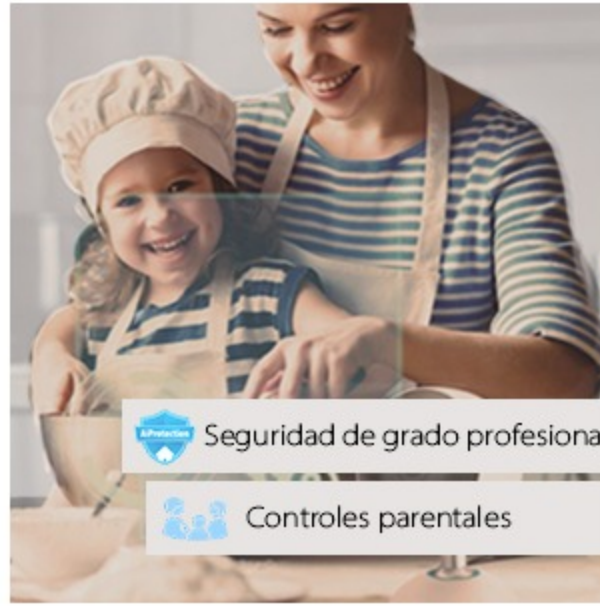

3-step setup with the ASUS Router app:

1. Turn on ZenWiFi AX Mini
2. Create a WiFi network name and an admin account
3. Wait for 3 minutes, and you're done!

Smart Looks for Smart Homes

ZenWiFi AX Mini works perfectly with smart-home services — including Alexa skills and IFTTT — and is available in charcoal or white to suit your décor.

Make the Internet a Safer Place for Everyone

AiProtection Classic with Parental Controls is free for life. It gives you total peace of mind, and you can keep an eye on everything that's happening on your network via the mobile app.

- Commercial Grade Security
- Parental Controls

Parental Controls

URL filter and scheduling allow you to protect your family from inappropriate content and unhealthy Internet usage behaviour.

Flexible Network Naming

Uniquely, ZenWiFi lets you choose how you name your WiFi networks: a single name for everything, or separate names for each frequency band. The choice is yours!

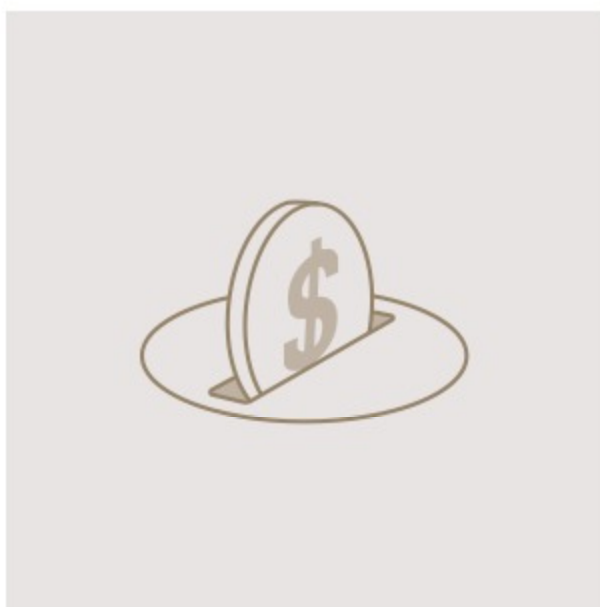

More Stable WiFi with Wired Connections between ZenWiFi Hubs

If you have Ethernet ports in your walls, you can set ZenWiFi AX Mini to use Ethernet backhaul, reserving all WiFi bands for your wireless devices for even more stable and reliable networking.

AiMesh Technology

Even non-experts can quickly set up AiMesh technology, while more experienced users will appreciate the comprehensive advanced networking features. More Stable WiFi with Wired Connections between ZenWiFi Hubs

Commercial Grade Security

No Subscription Fee: Some routers only offer 3 years of protection, ASUS AiProtection has you covered for the life of your product.
