### Voice Control

Free up your hands by using simple voice commands with Alexa and Google Assistant.

Alexa, set my string lights to 60%.

### Strong WiFi Connection Up to 300 ft

An outdoor plug needs a strong WiFi signal and the Kasa Smart WiFi Outdoor Plug has one of the strongest. With a built-in power amplifier for long range WiFi, the outdoor plug has a reach of up to 300 ft in open areas.

#### Control Individual Outlets

Control each outlet individually through the app or with Alexa and Google Assistant.

#### Grouping & Scenes

Group your plugs with other Kasa devices to turn them all on or off with one click or choose a custom preset with scenes.

#### Away Mode

Away Mode will automatically turn on and off your connected devices, like lights, to make it appear as if you're home.

#### Countdown Timer

Set a timer for your plugs to automatically turn off when the time runs out.
