

START STREAMING

Everything you need, right out of the box

Fire TV Stick Lite comes with all the essentials you need to get set up and start watching with ease. And with 50% more power than Fire TV Stick (previous generation), Fire TV Stick Lite delivers quick app starts and fast streaming in Full HD.

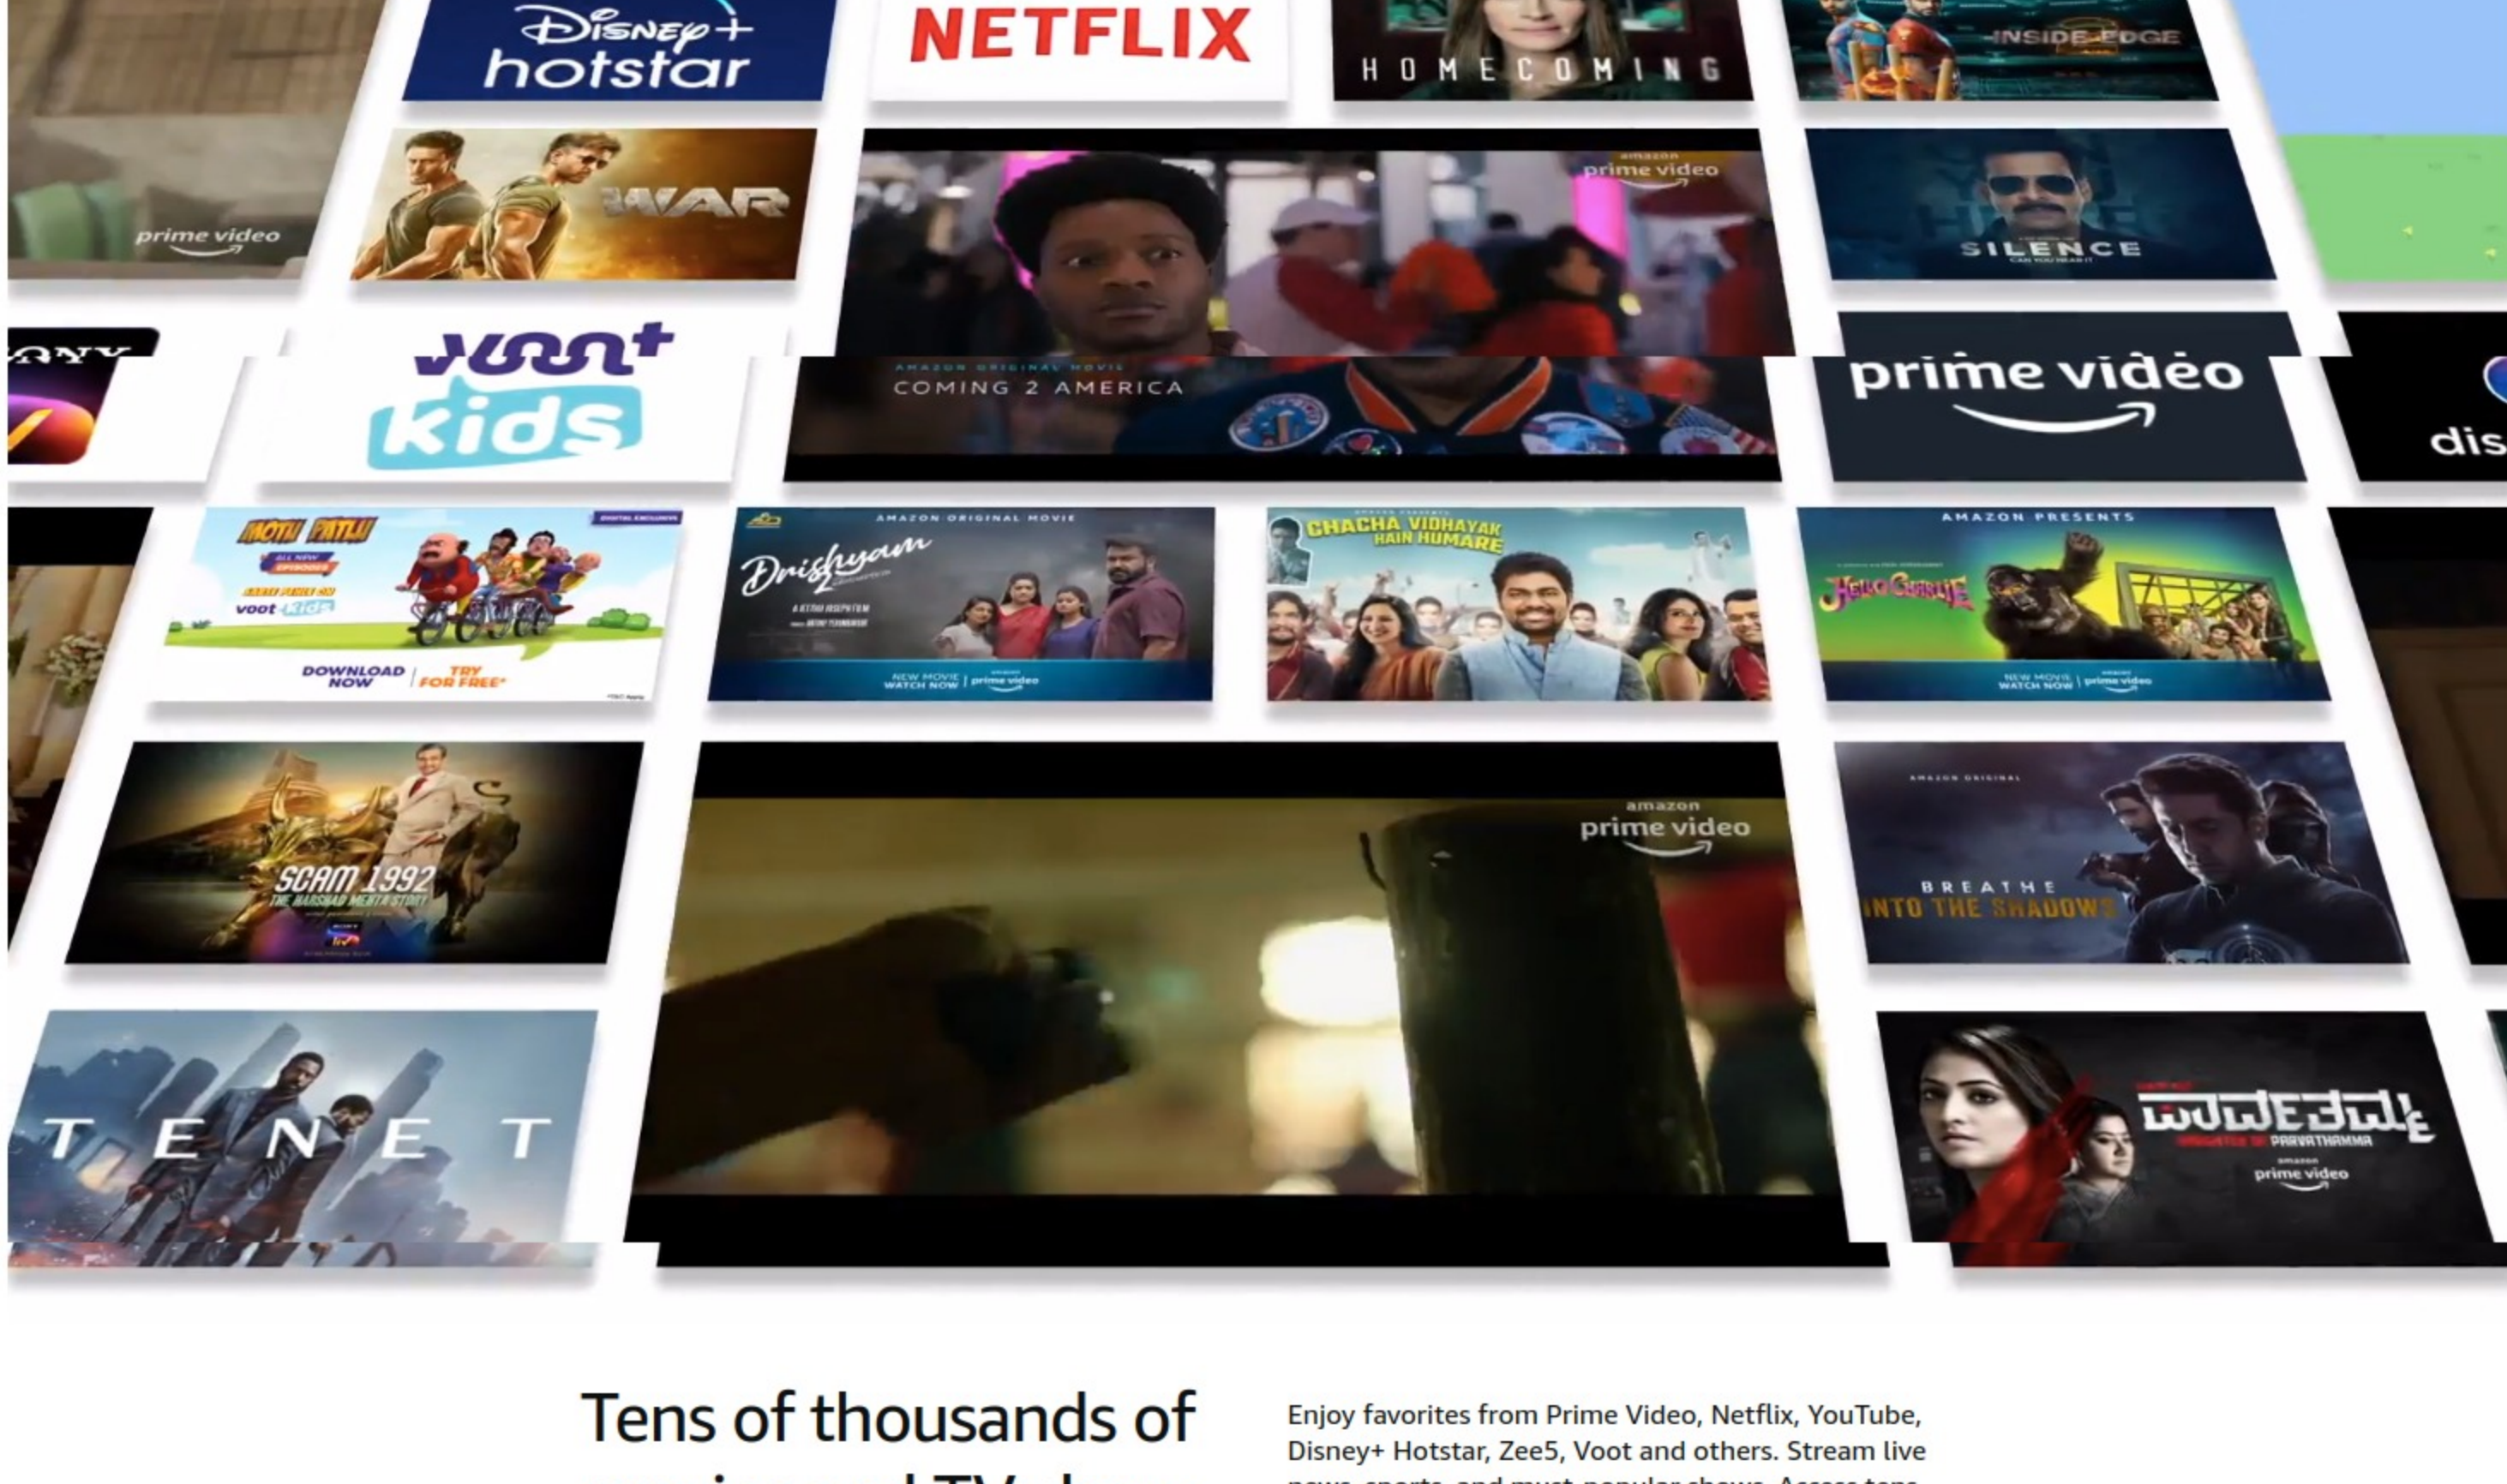

Alexa Voice Remote Lite

Press and hold the voice button and ask Alexa to find, launch and control content. Easily search and enjoy thousands of movies, TV shows, apps, and games. Alexa can also play music, answer questions, read the news, check the weather, and set alarms.

"Alexa, open YouTube."

Discover live TV channels at one place

Now watch popular TV channels like Colors, Sony Set, Discovery+, News18, DD National and more, straight from the home screen of Fire TV Stick. With the Live tab and On Now row, you can easily access TV serials, live news or browse the channel guide, all in one place. You can simply say, "Alexa, go to colors HD" to watch your favorite channel. To get this experience subscribe to these apps- SonyLIV, Voot, NextG TV and Discovery+.

Tens of thousands of movies and TV show episodes

Enjoy favorites from Prime Video, Netflix, YouTube, Disney+ Hotstar, Zee5, Voot and others. Stream live news, sports, and must-popular shows. Access tens of thousands of HDR titles. Plus, play millions of songs through services like Amazon Music, Gaana and others. Subscription fees may apply.

Find content faster

Streaming on Fire TV is simple and intuitive. It all starts with the easy-to-use Fire TV home screen. Search across multiple streaming services.

Plug and play, out of the way

The compact design plugs directly into an HDMI port and can tuck neatly behind your TV. Easily move Fire TV Stick Lite between TVs at home or away so your content travels with you.

Prime members get more from Fire TV

Amazon Prime members get unlimited access to thousands of movies and TV episodes on Prime Video, as well as ad-free listening to millions of songs with Prime Music - no extra apps to download and no cable subscription required.

TV is just the beginning

Fire TV is always getting smarter with new Alexa skills and voice functionality. View live camera feeds, check the weather and stream music. Learn more about compatible smart home devices.
