

R.A.T. PRO X3

**ULTIMATE
CUSTOMIZATION,
ULTIMATE
PERFORMANCE**

KING OF CUSTOMIZATION

Palm Rest - The R.A.T.PRO X3 comes with three different palm rests catering to all hand sizes and shapes. Pick the one right for you and enjoy custom comfort you never thought possible.

Scroll Wheel - Customizable scroll wheel allow you to tweak resistance and tactile feel depending on the game you play.

Pinkie Rest - Two choices of size and material for a pampered pinkie

Thumb Rest - Two sets of thumb rests are included, designed to offer support and reduce fatigue.

Glide Feet - Choose between Ceramic or Teflon feet to glide fast or offer a little resistance. Create the perfect feel to match your gaming surface.

REVOLUTIONARY SCROLL WHEEL

The Mad Catz revolutionary scroll wheel system, uses optical technology and analog axis capability, re-inventing the scroll wheel functionality.

The R.A.T.PRO X3 gives you the ability to precisely calibrate tension and speed, and swap the actual wheel itself, with a choice of materials providing a distinctly unique feel. Use in conjunction with the Mad Catz programmable software and use the scroll wheel to effortlessly drive your car, fly your plane, reload your weapon, and much, much more!

SUPERIOR OPTICAL SENSOR

Armed with the top-of-the-range Pixart PMW 3389 optical sensor, the R.A.T.PRO X3 is equipped with 16000 DPI, capable of keeping up with extreme movement speeds of up to 400 inches per second and 50G of acceleration. Switch between four different DPI settings at the touch of a button, crucial for ensuring that your gaming weapon never lets you down in the heat of battle!

800 · 1500 · 3200 · 15000

ULTRA DURABLE SWITCHES

The R.A.T. PRO X3 comes fitted with extremely durable switches that provide a life expectancy in excess of 50 million clicks, ensuring that your gaming mouse won't let you down in the heat of the action!
