

## High-Performance Gaming Mousepad

The Mad Catz G.L.I.D.E. 16 gaming surface is designed using ultra-smooth and advanced hybrid materials that give you a smooth and even gliding experience, providing exceptional tracking accuracy for any high DPI gaming mouse.

## Superior Gliding Experience

Silicone base keeps the surface in place, whether you're flying across the screen or dialing in your move. The ultra-smooth hybrid material gives you total control and maximum accuracy.

## Anti-Slip Rubber Base

The non-slip rubber base of the G.L.I.D.E. 16 eliminates unwanted movement and provides a solid platform for competitive gaming.
