

Silicone Base

Silicone base keeps the surface in place, whether you're flying across the screen or dialing in your move.

Hybrid Material

The ultra-smooth hybrid material gives you total control and maximum accuracy. Heat-bonded edges prevent fraying.

Rollable

The surface rolls up for easy transportation and unrolls flat for instant gameplay.

Water Resistant

Spills are no match for the G.L.I.D.E. 38 Gaming Surface! Water resistant for easy cleanup, this surface lets you get back in game without missing a beat!

Slide into first place with The Authentic G.L.I.D.E. 38 Gaming Surface. Featuring a hybrid material, mice glide smoothly and easily across the surface, giving you total control and maximum accuracy. The heat-bonded edges prevent fraying and are comfortable for your wrist or forearm. Able to roll up, the G.L.I.D.E. Surface is ideal to take on-the-go and unrolls flat for instant gameplay. This surface is also water-resistant for easy cleanup.
