

THE AUTHENTIC

R.A.T. PRO S3

OPTICAL GAMING MOUSE

Ergonomically Designed for a Lightweight Gaming Experience

With 8 programmable buttons, the R.A.T Pro S3 lets you take control of your gaming experience. An adjustable DPI buttons lets you adjust the DPI instantaneously, up to 7200. The precision button instantly increases or decreases the sensitivity, perfect for in-game sniping. Built around a super lightweight design and weighing only 80g (without cable), this mouse is ideal for on-the-go use and won't weigh you down.
