

Bring Your A Game Anywhere

with the VGX1000 Gaming
PCIe NVMe External SSDs

Supersonic Speed

Blow the doors off the competition! These SSDs give you the ultimate combination of blazing fast transfer speeds, with up to 1000MB/s read and 930MB/s write*, multiple capacity options, compatibility with a wide range of devices and more to supercharge your gameplay.

*For optimal performance, use a USB 3.1 Gen 2 USB-C cable/port. Transfer speeds based on internal data. Your performance will vary depending on environmental factors.

Portable and Sleek Design

Portable design with sleek black housing and blue aluminum plating.

Illuminated RGB logo

- Connection/Interface: USB-A, USB-C; USB 3.1 Gen 2 (Also compatible with Thunderbolt 3, USB 3.1 Gen 1 and USB 2.0)
