

### Voice Control

Free up your hands by using simple voice commands with Alexa and Google Assistant.

### Schedules

Schedule your plugs to turn on/off automatically at specified times or according to Sunrise/Sunset.

### Control from Anywhere

Turn your plugs on or off from anywhere with the friendly Kasa app.

### IP64 Weather-Resistant

Ensures your plug will be protected against dust and splashes of water from any direction.

### Strong WiFi Connection Up to 300 ft

An outdoor plug needs a strong WiFi signal and the Kasa Smart WiFi Outdoor Plug has one of the strongest. With a built-in power amplifier for long range WiFi, the outdoor plug has a reach of up to 300 ft in open areas.

### Control with a Single Tap

Remotely power your outdoor smart plug on or off with just a single tap on your phone. Group your indoor and outdoor devices for unified control like combining your living room bulbs with the patio lights connected to your outdoor plug, so you can light up your home for a memorable dinner party.

### Control Individual Outlets

Control each outlet individually through the app or with Alexa and Google Assistant.

### Grouping & Scenes

Group your plugs with other Kasa devices to turn them all on or off with one click or choose a custom preset with scenes.

### Away Mode

Away Mode will automatically turn on and off your connected devices, like lights, to make it appear as if you're home.

### Countdown Timer

Set a timer for your plugs to automatically turn off when the time runs out.
