

# WIFI 6E PERFORMANCE UNLEASHED

RAXE500 with 10.8Gbps Speed

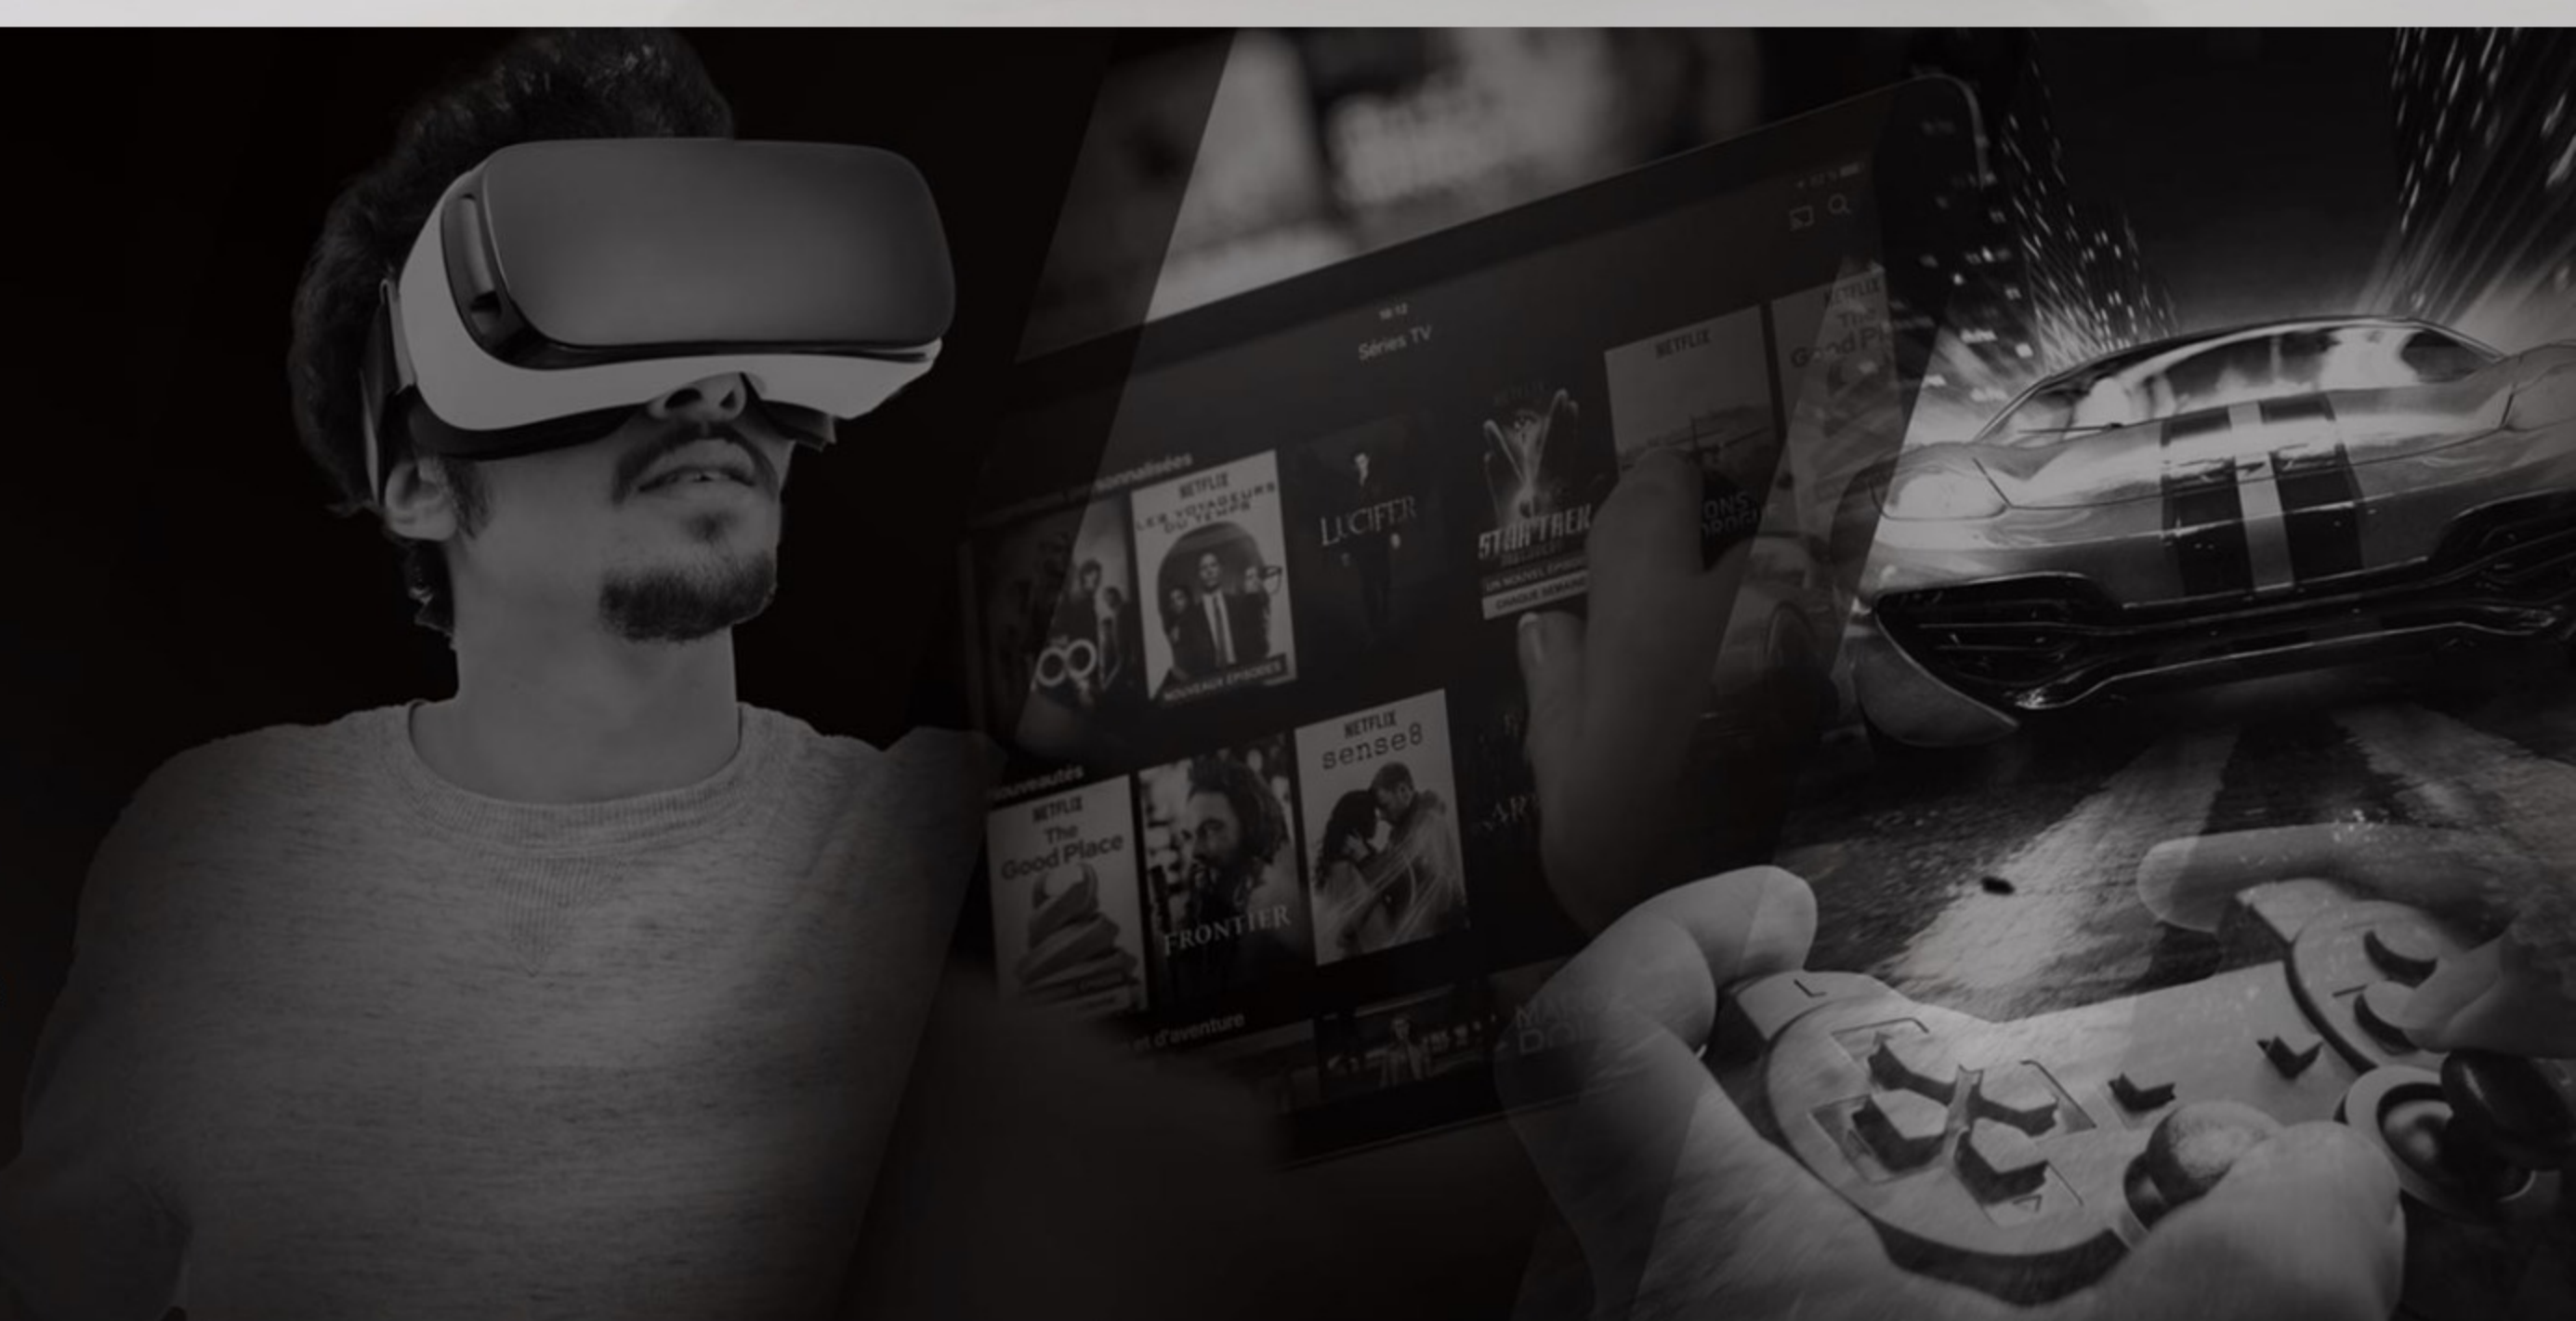

## UNMATCHED PERFORMANCE AND COVERAGE

- Faster Speed**  
Up to 10.8Gbps\* delivers seamless WiFi to all devices no matter how demanding
- Next-Gen WiFi 6E Technology**  
Adds a 6GHz band for today's new WiFi 6E devices
- Stronger WiFi Signals**  
Pre-optimized antennas deliver more reliable connections and coverage up to 3,500 sq.ft.

## FASTER GAMING, FASTER STREAMING

12 simultaneous WiFi streams ensure everyone in your house enjoys no-lag AR/VR gaming, uninterrupted 8K streaming, and smooth video calls all at the same time

## WIFI 6E, THE FASTEST WIFI EVER

A new 6GHz band provides the fastest speed and the greatest capacity for new WiFi 6E devices, and reduces data loads on the other two bands so WiFi speed increases for all devices

WIFI 6E

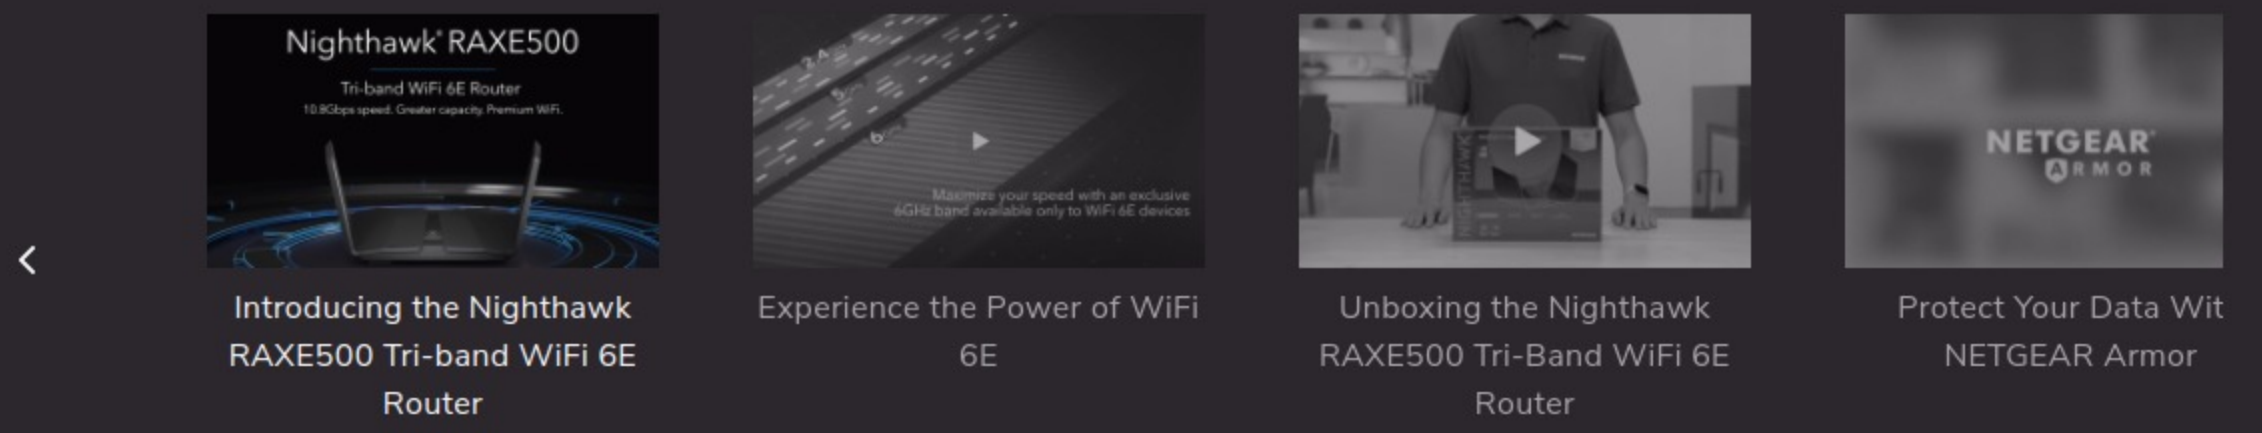

## OUR WIFI SIGNALS JUST GOT BOOSTED

RAXE500 features pre-optimized WiFi optimization and eight optimally positioned antennas to deliver more capacity, stronger and more reliable connections, and less interference to your devices

# Nighthawk® RAXE500

Tri-band WiFi 6E Router  
10.8Gbps speed. Greater capacity. Premium WiFi.

## MULTI-GIG WIRED CONNECTIONS

Use the 2.5G Ethernet port or 2Gbps link aggregation to send Gigabit+ speeds to your most demanding devices, and plug even more wired devices into the four additional Gigabit Ethernet ports

- Link two Gigabit ports together for up to 2Gbps aggregate Internet speed
- Link two Gigabit LAN ports together for up to 2Gbps aggregate speed
- 2.5Gbps Multi-Gig LAN or Internet port

## NETGEAR ARMOR

### ESSENTIAL ALL-IN-ONE INTERNET SECURITY

You wouldn't leave your door unlocked at night. Treat your WiFi with the same level of security. NETGEAR Armor keeps your family and your connected devices safe with an automatic shield of protection for your network to stop hackers, password thieves, ransomware, and brute force attacks.
