

# 8-Button Deluxe Blue LED Mice

Verbatim 8-Button Deluxe Mice feature Blue LED technology, allowing users to navigate on virtually any surface, from a glass tabletop to granite countertop. Additionally, 2.4GHz wireless performance allows for lag-free cursor movement. The mouse connects to the computer via a nano receiver, small enough to plug in and leave connected - great for computing on the go. When not in use, the receiver stores conveniently inside the battery compartment. The Wireless Desktop 8-Button Deluxe Blue LED Mouse is backed by a 1-Year Limited Warranty.

## Features & Benefits

- **Windows 8 Home button** - Enhances Windows 8 experience - launch applications quickly and easily.
- **DPI Button** - Controls mouse sensitivity.
- **Back/Forward buttons** - Easily navigate between pages in your browser.
- **Multi-surface Usability** - Blue LED technology allows this mouse to be used on a glass\* desk surface, granite counter tops, hardwood floors, airport carpeting or other surfaces.

- **Zoom Feature** - Easily enlarge fine print or view details within web browser and documents without moving your hand from the mouse.
- **Wireless** - 2.4GHz reliability and performance! Plug in the Nano receiver and forget about it! The small receiver plugs into your laptop's port and can stay; no need to plug and unplug bulky receiver or deal with cords.

- **Ergonomic design**  
- Contoured shape with easy-grip surface makes computing comfortable for hours
