

## Visitors or packages, see what matters.

See more of who stops by and check in on package deliveries down low with Head-to-Toe HD+ Video in 1536p. Then, get notifications when a package is detected within the specified zone with new Package Alerts, an exclusive Ring Protect subscription feature.

## The best motion detection on the block.

Pinpoint motion and distance with 3D Motion Detection — the first feature of its kind, only available on Video Doorbell Pro 2.

- Ring's Most Accurate Distance Detection and Alerts ▼
- Bird's Eye View ▼
- All-Weather Accuracy ▼

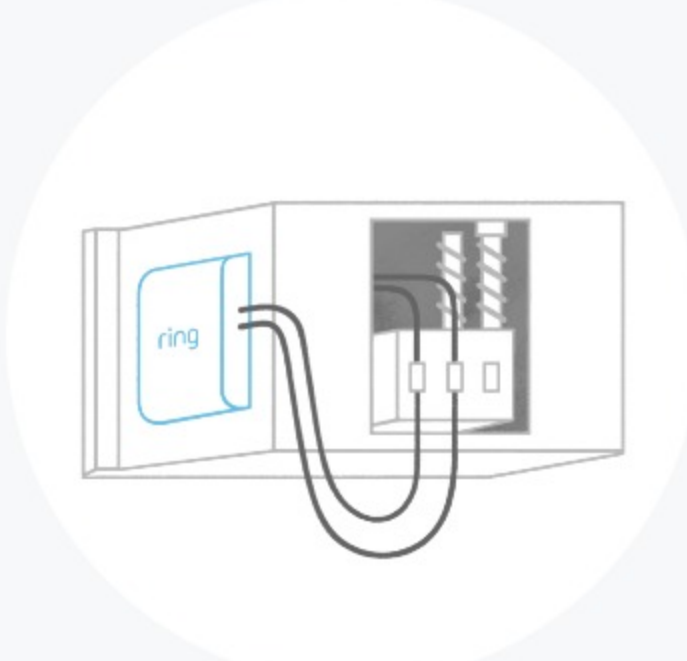

## Let Alexa get the door.

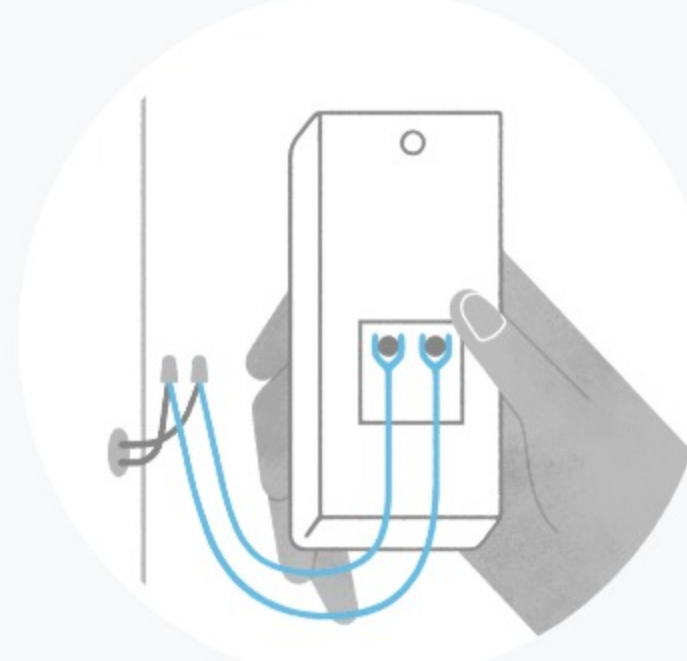

Can't get the door? We've got you covered. With built-in Alexa Greetings, an exclusive Ring Protect subscription feature, Pro 2 automatically greets anyone who stops by, lets delivery drivers know where to leave your packages, and records detailed video messages, all on its own.

## Elevated style, DIY installation.

Turn off power at the breaker and connect the included Pro Power Kit to your doorbell's chime inside.

Outside, disconnect your existing doorbell button. Connect doorbell wires to the back of Video Doorbell Pro 2.

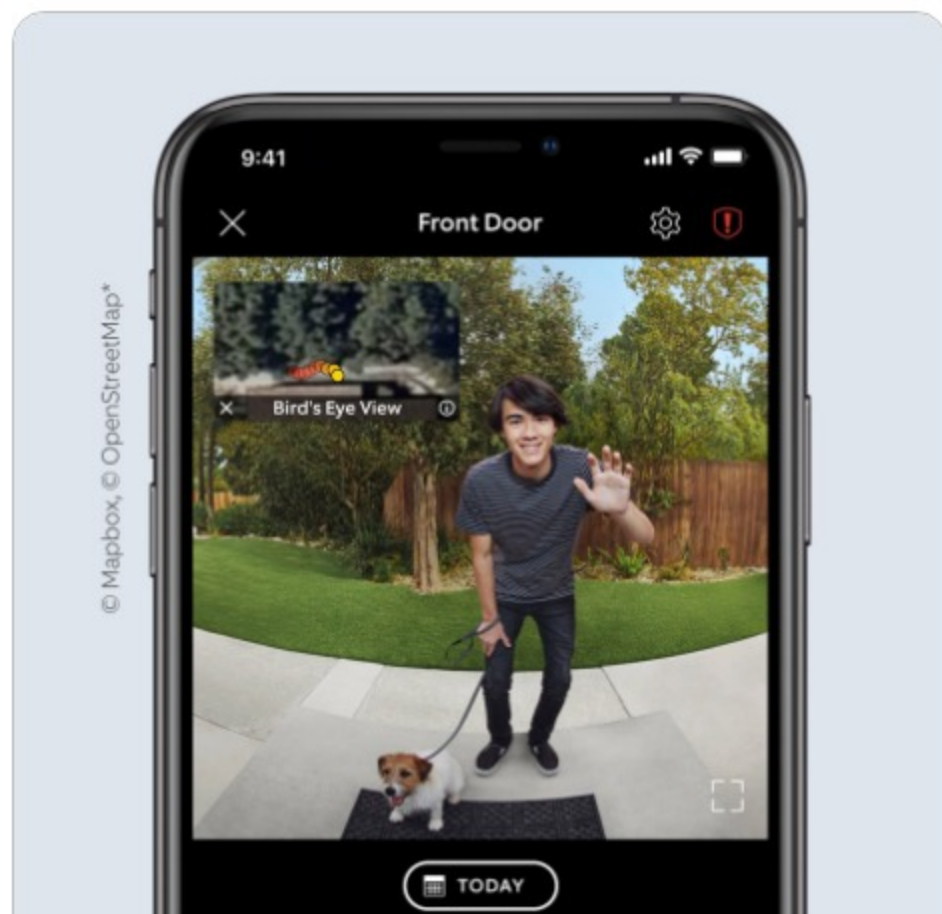

Secure your Ring doorbell to your home, attach your faceplate, and turn power on at the breaker. Use the Ring App to continue setup.

## Complete Control from the Ring App.

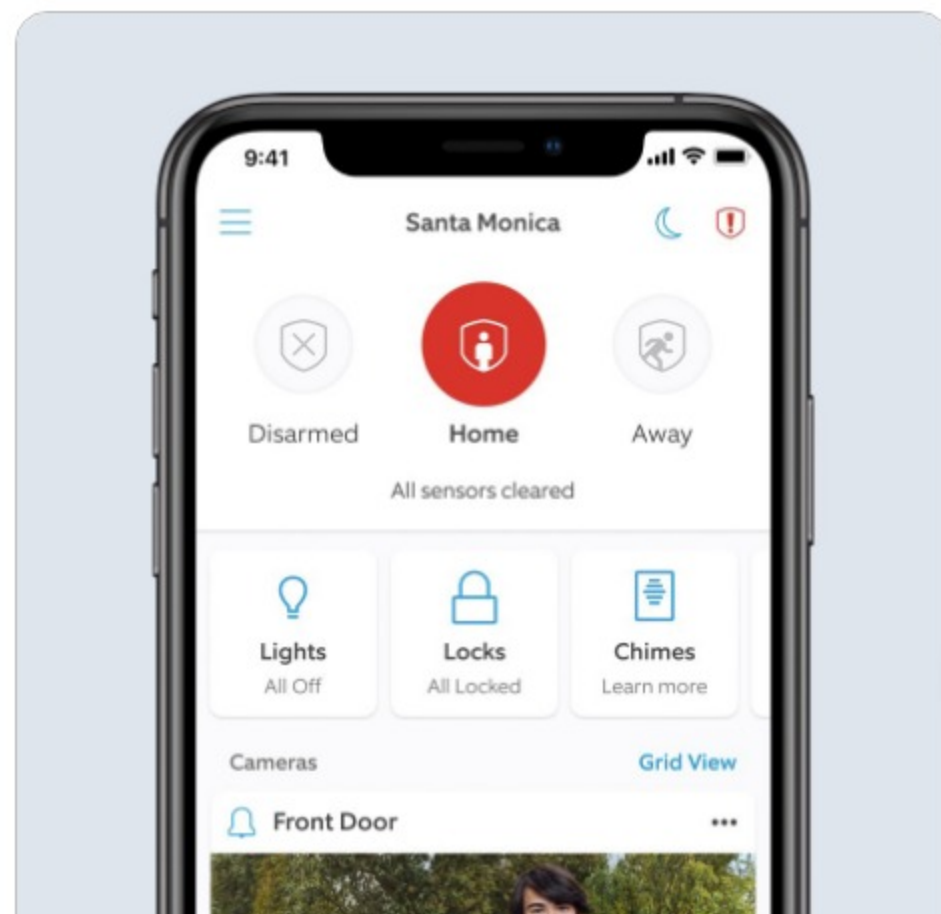

### Real-Time Notifications

Receive real-time notifications on your phone and tablet to stay in-the-know when anything happens at home.

### Live View

Get real-time video and audio with the Live View button. Need to let a guest in? Lock and unlock a compatible smart lock with a simple tap.<sup>2</sup>

### Connected Devices

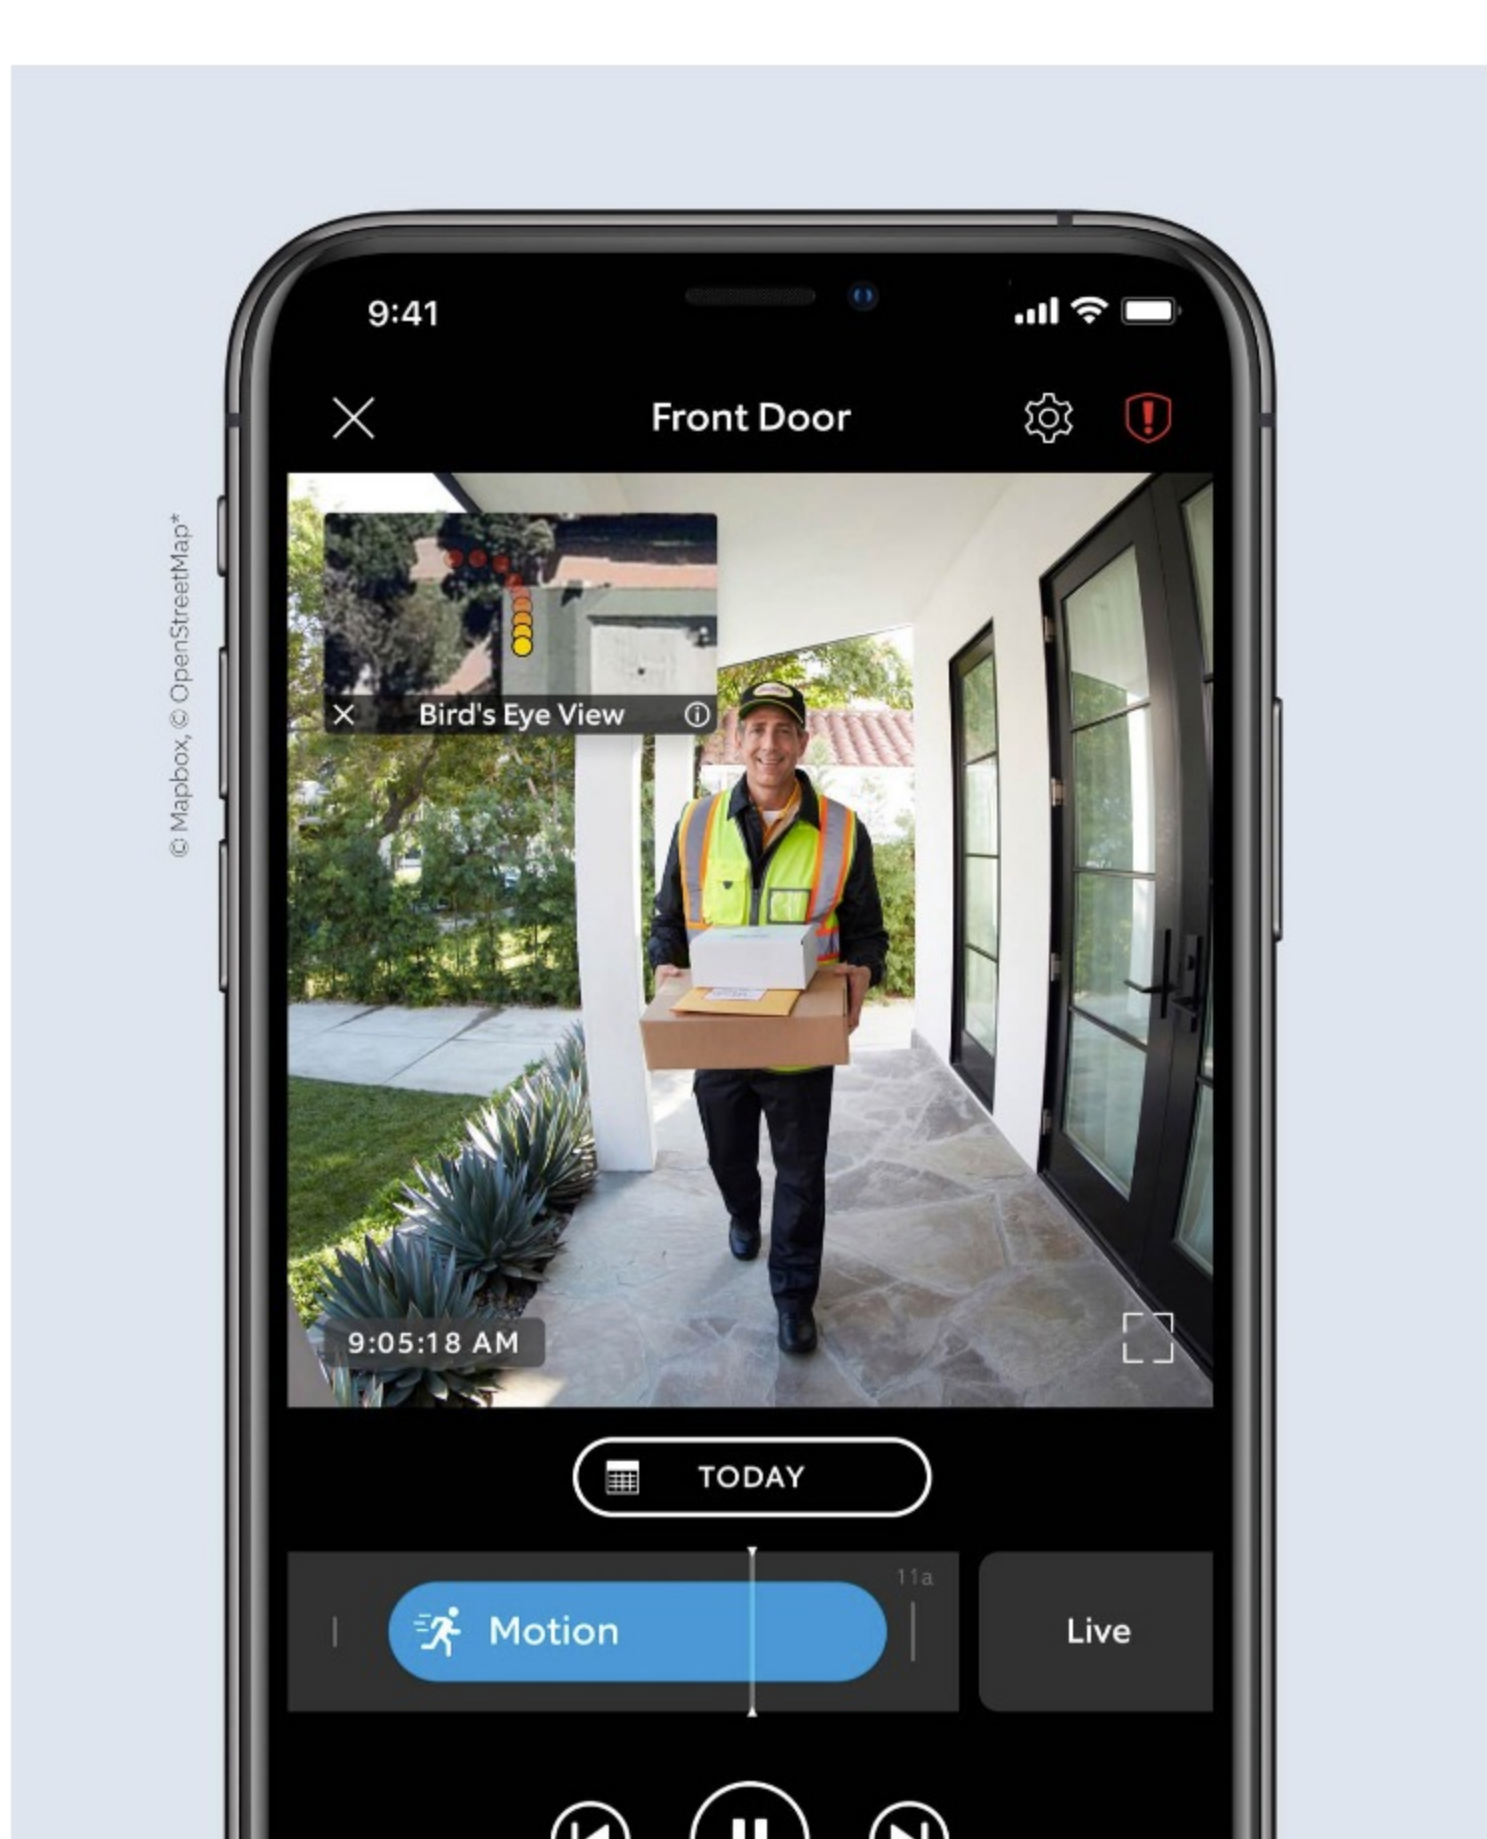

Connect to select Ring devices to see what's happening and control them all from a single dashboard.

## Ring Protect

### Don't miss a thing.

Get even more out of your Ring devices with a Ring Protect subscription for as low as \$3.99/month per device. Start your 30-day free trial.<sup>1</sup>
