

# Ooma HD3 Handset

## Ooma HD3 Handset

Get the latest cordless phone technology and features of a smartphone never before found in a home phone. The Ooma HD3 Handset offers improved HD Voice call clarity and features made possible by the Ooma cloud-enabled platform. If you're an Ooma Premier subscriber, the handset also allows you to take full advantage of advanced features like the Instant Second Line.

- Two-inch color screen and picture caller-ID. Sync profile pictures and contacts from Facebook, LinkedIn, and more
- Cutting-edge HD voice clarity
- Superior security and range with the latest DECT technology
- Built-in speakerphone for hands-free calling
- Advanced voicemail features
- Detailed call log to view all incoming calls, outgoing calls, and call duration

## Requires Ooma Telo device

Note: Not compatible with early versions of Ooma Telo. Compatible with devices having an Activation Code beginning with 2 or higher. Each Ooma Telo supports up to 4 Ooma HD3 Handsets.

- Secure and wireless friendly
- 10 hour talk time, 150 hour standby
- 2" color display Speed dial and full-duplex speakerphone
- Paging, intercom, room monitoring
- Visual message waiting indicator

## Get additional features with optional Ooma Premier

### Instant Second Line

Perfect for a home office. When the line is already in use, you can simply pick up a second Ooma HD3 Handset and make or take a second call. Up to two separate calls can be made simultaneously.

### Do Not Disturb and Send to Voicemail

If you're screening your calls, you can activate the 'Do Not Disturb' mode and forward all of your calls to voicemail. You can even redirect a call back to voicemail by pressing the 'Send to Voicemail' button after you've picked up the phone.

### Personal Number

With an affordable Ooma Premier subscription, you'll gain access to the Personal Number feature. This feature allows you to create a unique phone number for everyone in the family. Multiple numbers can be mapped to the same handset, but you can make each number ring distinctively so you know who the call is for. Up to nine additional numbers are allowed.
